Important Notice from Coventry Health Care of Kansas, Inc. About Our Prescription Drug Coverage and Medicare

The Office of Personnel Management (OPM) has determined that Coventry Health Care of Kansas, Inc. prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's as least as good as Medicare's prescription drug coverage, your monthly premium will go up a least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the Annual Coordinated Election Period (October 15th through December 7th) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

Introduction

This brochure describes the benefits of Coventry Health Care of Kansas, Inc., under our contract (CS 1948) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. Customer Service may be reached at 1-800-969-3343 or through our website: www.chckansas.com. The address for Coventry Health Care of Kansas, Inc., administrative office is:

**Coventry Health Care of Kansas, Inc.
8320 Ward Parkway
Kansas City, MO 64114**

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2013, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each Plan annually. Benefit changes are effective January 1, 2013 and changes are summarized on page 16. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means Coventry Health Care of Kansas, Inc.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB Plans’ brochures have the same format and similar descriptions to help you compare plans.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your Plan identification (ID) number over the telephone or to people you do not know, except to your health care providers, authorized health benefits plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Periodically review your claims history for accuracy to ensure we have not been billed for services you did not receive.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.

- If the provider does not resolve the matter, call us at 1-800-969-3343 and explain the situation.
- If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

OR go to www.opm.gov/oig

You can also write to:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise)
 - Your child is age 26 or over (unless he/she was disabled and incapable of self-support prior to age 26)
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include you falsifying a claim to obtain FEHB benefits, trying to or obtaining service or coverage for yourself or for someone who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines and dosage that you take, including non-prescription (over-the-counter) medicines and nutritional supplements.
- Tell your doctor and pharmacist about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.

- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of test or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - "Exactly what will you be doing?"
 - "About how long will it take?"
 - "What will happen after surgery?"
 - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications you are taking.

Never Events

You will not be billed for inpatient services related to treatment of specific hospital acquired conditions or for inpatient services needed to correct Never Events, if you use Coventry preferred providers. This policy helps to protect you from preventable medical errors and improve the quality of care you receive.

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen called “Never Events”. When a Never Event occurs, neither your FEHB plan nor you will incur cost to correct the medical error.

FEHB Facts

Coverage information

- **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

- **Where you can get information about enrolling in the FEHB Program**

See www.opm.gov/insure/health for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies who participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment
- How you can cover your family members
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire
- What happens when your enrollment ends
- When the next open season for enrollment begins

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

- **Types of coverage available for you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster or step children, your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately of changes in family member status, including your marriage, divorce, annulment, or when your child reaches age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

If you have a qualifying life event (QLE) - such as marriage, divorce, or the birth of a child - outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at www.opm.gov/insure/lifeevents. If you need assistance, please contact your employing agency, personnel/payroll office, or retirement office.

- **Family member coverage**

Family members covered under your Self and Family enrollment are your spouse (including a valid common law marriage) and children as described in the chart below.

Children	Coverage
Natural, adopted children, and stepchildren	Natural, adopted children and stepchildren are covered until their 26 th birthday.
Foster Children	Foster children are eligible for coverage until their 26 th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.
Children Incapable of Self-Support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Married Children	Married children (but NOT their spouse or their own children) are covered until their 26 th birthday.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are covered until their 26 th birthday.

You can find additional information at www.opm.gov/insure.

- **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

- **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2013 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2012 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

- **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

- **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of benefits under the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy).

- **Upon divorce**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 26, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the “TCC and HIPAA” frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 1. How this plan works

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory. We give you a choice of enrollment in a High Option, a Standard Option, or a High Deductible Health Plan (HDHP).

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the Plan's benefits, not because a particular provider is available. You cannot change Plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

General features of both our High and Standard Options

Features of our High Option

- A calendar year deductible of \$750 Self Only and limited to \$2,250 Self and Family.
- The catastrophic protection per calendar year is limited to \$3,500 for Self Only and \$7,000 for Self and Family.

Features of our Standard Option

- A calendar year deductible of \$1,750 Self Only and limited to \$5,250 Self and Family.
- The catastrophic protection per calendar year is limited to \$4,000 for Self Only and \$8,000 for Self and Family.

We have Open Access Benefits

- You are **not** required to select a primary care physician.
- These Plans allow you direct access to Plan providers, no referrals are necessary. Please be sure the provider you select – or the provider or facility you are referred to – is part of the Coventry Network. It is ultimately your responsibility to verify this information. By doing so, you get the most from your health Plan and protect yourself from paying more than you have to for covered benefits.
- These Plans include annual wellness/preventive care exams to you at no cost.
- These Plans provide diabetic and nutritional counseling if you are diagnosed with high cholesterol, high blood pressure, diabetes, and obesity.
- Routine eye exams are available to all members. Please select from one of our Coventry Network Optometrists.
- These Plans include preventive dental diagnostic services using the Coventry Dental Network.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments, coinsurance and applicable deductible(s).

General features of our High Deductible Health Plan (HDHP)

HDHPs have higher annual deductibles and annual out-of-pocket maximum limits than other types of FEHB plans. FEHB Program HDHPs also offer health savings accounts or health reimbursement arrangements. Please see below for more information about these savings features.

An HDHP is a health plan product that provides traditional health care coverage and a tax advantaged way to help you build savings for future medical needs. An HDHP with an HSA or HRA is designed to give greater flexibility and discretion over how you use your health care benefits. As an informed consumer, you decide how to utilize your Plan coverage with a high deductible and out-of-pocket expenses limited by catastrophic protection. And you decide how to spend the dollars in your HSA or HRA. You may consider:

- Using the most cost effective provider.
- Actively pursuing a healthier lifestyle and utilizing your preventive care benefit.
- Becoming an informed health care consumer so you can be more involved in the treatment of any medical conditions or chronic illness.

The type and extent of covered services, and the amount we allow, may be different from other plans. Read our brochure carefully to understand the benefits and features of this HDHP. Internal Revenue Service (IRS) rules govern the administration of all HDHPs. The IRS Website at <http://www.ustreas.gov/offices/public-affairs/hsa/faq1.html> has additional information about HDHPs.

Preventive care services

Preventive care services generally covered with no cost-sharing and are not subject to copayments, deductibles, or annual limits when received from a network provider.

Annual deductible

The annual deductible must be met before Plan benefits are paid for care other than preventive services.

Health Savings Account (HSA)

You are eligible for a Health Savings Account (HSA) if you are enrolled in an HDHP, not covered by any other health plan that is not an HDHP (including a spouses's health plan, but does not include specific injury insurance and accident, disability, dental care, vision care, or long-term care coverage), not enrolled in Medicare, not received VA benefits within the last three (3) months, not covered by your own or your spouse's flexible spending account (FSA), and are not claimed as a dependent on someone else's tax return.

- You may use the money in your HSA to pay all or a portion of the annual deductible, copayments, coinsurance, or other out-of-pocket costs that meet the IRS definition of a qualified medical expense.
- Distributions from your HSA are tax-free for qualified medical expenses for you, your spouse, and your dependents, even if they are not covered by a HDHP.
- You may withdraw money from your HSA for items other than qualified medical expenses, but will be subject to income tax and, if you are under 65 years old, an additional 20% penalty tax on the amount withdrawn.
- For each month that you are enrolled in an HDHP and eligible for an HSA, the HDHP will pass through (contribute) a portion of the health plan premium to your HSA. You (the account holder) may contribute your own money to your HSA up to an allowable amount determined by IRS rules. Your HSA dollars earn tax-free interest.
- You may allow the contributions in your HSA to grow over time, like a savings account. The HSA is portable – you may take the HSA with you if you leave the Federal government or switch to another plan.

Health Reimbursement Arrangement (HRA)

If you are not eligible for an HSA or become ineligible to continue an HSA, you are eligible for a Health Reimbursement Arrangement (HRA). Although and HRA is similar to an HSA, there are major differences.

- An HRA does not earn interest.
- An HRA is not portable if you leave the Federal government or switch to another plan.

Catastrophic protection

We protect you against catastrophic out-of-pocket expenses for covered services. Your annual out-of-pocket expenses for covered services, including deductibles and copayments, cannot exceed \$6,250 for Self Only enrollment, or \$12,500 for Self and Family coverage.

Smart Payment From Coventry Consumer Choice

You now have a choice to direct payments individually with Smart Payment. This new functionality gives you more control of your health care finances. This capability will help you control your health care costs and manage the funds to pay for them. You have complete control with C3 Smart Payment. Through My Online Services, www.chckansas.com, you can change the default on your accounts.

Spend: When your payment choice is in the Spend mode, your cost-sharing eligible expenses (deductible, copay and coinsurance) aligned with the medical and pharmacy plan are automatically processed and available funds are paid to the member or provider as follows:

Copays: Pay to member

Deductible: Pay to provider

Coinsurance: Pay to provider

Pharmacy and other manual claims will always pay the member.

Save Review: In the Save Review mode you have a choice to review your claims and actively release each claim to a provider or yourself. With this option, you can also decide not to pay a claim from your HSA or HRA. When your payment choice is in this mode, you will be expected to manage your claims individually. For example:

Claim #1: Save – don't pay

Claim #2: Pay to provider

Claim #3: Reimburse you

Save: In Save mode, the only way to access your funds is to submit a manual claim.

Who provides my healthcare

Coventry Health Care of Kansas, Inc., provides you with a comprehensive benefit package that covers many kinds of health services for a fixed payroll deduction and minimal copayments. As a participant of Coventry Health Care of Kansas, Inc. you are no longer required to select a primary care physician and may access any participating provider for your care. You may choose to continue your current physician relationship however you will no longer need to obtain specialist referrals. This will enable you to self-refer within the Coventry network as necessary. Please visit our website at www.chckansas.com for up to date provider information. It is your responsibility to verify your treating physician continues to be a part of Coventry's network by calling Customer Service Department at 1-800-969-3343.

The Plan's provider directory lists primary care doctors (generally family practitioners, pediatricians, and internists) and specialists with their locations and phone numbers, and notes whether or not the doctor is accepting new patients. Directories are updated on a regular basis and are available at the time of enrollment or upon request by calling the Customer Service Department at 1-800-969-3343. You can also find out if your doctor participates by calling this number. The list is also on our website. Visit www.chckansas.com to utilize our doctor search option. Our doctor search on the web is updated monthly.

If you are interested in receiving care from a specific provider who is listed in the directory, call the provider to verify that he or she still participates with the Plan and is accepting new patients. Important note: When you enroll in the Plan, services (except for emergency benefits) are provided through the Plan's delivery system; the continued availability and/or participation of any one doctor, hospital, or other provider, cannot be guaranteed.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

Coventry Health Care of Kansas, Inc., is a for profit domiciled Kansas health maintenance organization (HMO) with certificates of authority to operate in both Kansas and Missouri. Coventry Health Care of Kansas, Inc., has been in existence since 1961, and a total membership of approximately 140,000. We are dedicated to providing quality health care at an affordable price, and we provide our members the security of knowing they are being offered a health care delivery system supported by a long tradition of quality and service.

If you want more information about us, call 1-800-969-3343, or write to Coventry Health Care of Kansas, Inc. 8320 Ward Parkway, Kansas City, MO 64114. You may also contact us by visiting our website at www.chckansas.com.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice.

Our Kansas City Metropolitan service area is:

Kansas – Anderson, Allen, Atchison, Bourbon, Brown, Cherokee, Crawford, Doniphan, Douglas, Franklin, Jackson, Jefferson, Johnson, Labette, Leavenworth, Linn, Marshall, Miami, Montgomery, Neosho, Osage, Pottawatomie, Shawnee, Wabaunsee, and Wyandotte Counties

Missouri – Andrew, Barton, Benton, Buchanan, Caldwell, Carroll, Cass, Christian, Clay, Clinton, Dade, Dallas, Daviess, DeKalb, Gentry, Greene, Grundy, Henry, Jackson, Jasper, Johnson, Lafayette, Lawrence, Livingston, Newton, Pettis, Polk, Platte, Ray, Vernon and Webster Counties

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior Plan approval.

If you or a covered family member move outside of our service area, you can enroll in another Plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. Changes for 2013

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to the Plan (All Options)

- Removed annual limits on essential health benefits as described in section 1302 of the Affordable Care Act.
- Plans must provide coverage for routine costs for items and services furnished in connection with participation in an approved clinical trial.
- Coverage with no cost-sharing for additional preventive care and screenings for women provided in comprehensive guidelines adopted by the Health Resources and Services Administration (HRSA).

Changes to High Option Only

- Your share of the non-postal premium will increase for Self-Only and increase for Self and Family. (See page 133)
- The annual deductible is now \$750 for Self Only or \$2,250 Self and Family. Previously the deductible was \$500 for Self Only or \$1,500 Self and Family. (See page 23)
- The out-of-pocket maximum is now \$3,500 for Self Only or \$7,000 Self and Family. Previously, the out-of-pocket maximum was \$3,000 for Self Only or \$6,000 for Self and Family. (See page 23)
- The primary care office visit copay is now \$25 per visit instead of \$20. (See page 28)
- The member coinsurance is now 25%, instead of 20%. (See page 28)
- The emergency room copayment is now \$300, instead of \$250 (See page 54)
- Prescription Drugs Tier 2 (Formulary) is now \$50 and the Tier 3 (Non-Formulary) is now \$75. Previously Tier 2 was \$40 and Tier 3 was \$65. (See page 60)

Changes to Standard Option Only

- Your share of the non-postal premium will increase for Self-Only and increase for Self and Family. (See page 133)
- The annual deductible is now \$1,750 for Self Only or \$5,250 Self and Family. Previously, the deductible was \$1,500 for Self Only or \$4,500 Self and Family. (See page 23)
- The out-of-pocket maximum is now \$4,000 for Self Only or \$8,000 Self and Family. Previously, the out-of-pocket maximum was \$3,600 for Self Only or \$7,800 for Self and Family. (See page 24)
- The member coinsurance is now 30%, instead of 20%. (See page 28)
- The emergency room visit is now 30% coinsurance, no deductible. Previously, there was a \$350 copayment. (See page 54)
- Prescription Drugs Tier 3 (Non-Formulary) is now 20% coinsurance or \$75 whichever is less up to \$100 maximum per individual prescription. Previously, the Tier 3 was a \$75 copayment. (See page 60)

Changes to High Deductible Health Plan (HDHP) Only

- Your share of the non-postal premium will increase for Self-Only or increase for Self and Family. (See page 133)
- The out-of-pocket maximum is now \$4,000 for Self Only or \$8,000 Self and Family. Previously, the out-of-pocket maximum was \$3,500 for Self Only or \$7,000 Self and Family. (See page 24)
- The HRA credit is now \$83.33 per month, up to \$1,000 per year, for Self Only or \$166.66 per month, up to \$2,000 per year Self and Family. Previously, the credit was \$66.66 per month, up to \$800 per year, for Self Only or \$133.33 per month, up to \$1,600 per year Self and Family. (See page 69)

Section 3. How you get care

Identification cards

We will send you a medical/prescription drug and dental identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need medical replacement cards, call us at 1-800-969-3343 or write to us at Coventry Health Care of Kansas, Inc., 8320 Ward Parkway, Kansas City, MO 64114. You may also request replacement cards through our website at www.chckansas.com. If you need dental replacement cards, call Coventry Dental at 1-866-690-4910 or write to us at Coventry Dental, 111 Rockville Pike, Suite 950; P.O. Box 10949; Rockville, MD 20849. You may also request replacement cards through the website at www.chckansas.com.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website. Visit www.chckansas.com to utilize our doctor search option. Our doctor search on the web is updated monthly.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website www.chckansas.com.

What you must do to get covered care

You are no longer required to select a Primary Care Physician or obtain a referral to a participating specialist. You now have direct access to any HMO participating or Plan provider. You may choose to continue your current physician relationship however you will no longer need to obtain specialist referrals. This will enable you to self-refer within the Coventry network as necessary. Please visit our website at www.chckansas.com for up to date provider information. It is your responsibility to verify your treating physician continues to be apart of Coventry’s network by calling Customer Service Department at 1-800-969-3343.

The Plan's provider directory lists primary care doctors (generally family practitioners, pediatricians, and internists) and specialists with their locations and phone numbers, and notes whether or not the doctor is accepting new patients. Directories are updated on a regular basis and are available at the time of enrollment or upon request by calling the Customer Service Department at 1-800-969-3343. You can also find out if your doctor participates by calling this number. The list is also on our website. Visit www.chckansas.com to utilize our doctor search option. Our doctor search on the web is updated monthly.

If you are interested in receiving care from a specific provider who is listed in the directory, call the provider to verify that he or she still participates with the Plan and is accepting new patients. Important note: When you enroll in the Plan, services (except for emergency benefits) are provided through the Plan’s delivery system; the continued availability and/or participation of any one doctor, hospital, or other provider, cannot be guaranteed.

- **Primary care**

A primary care physician will generally be a family practitioner, internist, general practitioner, and pediatricians. A primary care physician may provide most of your health care, or offer guidance in selecting a specialist.

- **Specialty care**

You can go directly to a specialist for care without obtaining a referral from your primary care physician, however, it is your responsibility to make sure the referred provider is participating. Your primary care physician may assist you in selecting a specialist for needed care.

Here are some other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, a primary care physician may work with the specialist to develop a treatment plan. Your physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, please verify with the Plan whether your current physician is a participating provider. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan. Please be sure the provider you select – or the provider or facility you are referred to – is part of the Coventry Network. It is ultimately your responsibility to verify this information. By doing so, you get the most from your health Plan and protect yourself from paying more than you have to for covered benefits.
- If you are seeing a specialist and your specialist leaves the Plan, the Plan will assist you in finding another participating specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause;
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program Plan; or
 - reduce our service area and you enroll in another FEHB Plan;

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician will make necessary hospital arrangements. Please be sure the provider you select – or the provider or facility you are referred to – is part of the Coventry Network. It is ultimately your responsibility to verify this information. By doing so, you get the most from your health plan and protect yourself from paying more than you have to for covered benefits.

If you are hospitalized when your enrollment begins

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our Customer Service Department immediately at 1-800-969-3343. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB Plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center;
- the day your benefits from your former plan run out; or

- the 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such case, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

You need prior Plan approval for certain services

- **Inpatient hospital admission**

Since your primary care physician arranges most referrals to specialists and inpatient hospitalization, the pre-service claim approval process only applies to care shown under *Other services*.

Precertification is the process by which - prior to your inpatient hospital admission - we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition.

- **Other services**

Your primary care physician has authority to refer you for the most services. For certain services, however, your physician must obtain prior approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice. You must obtain prior authorization for:

- Inpatient Hospital Admissions /Observation stays/ LTAC
- Skilled nursing admissions
- Chemotherapy Herceptin; Avastin
- Durable medical equipment purchase over \$500 and all rental items except Oxygen – no auth required
- on Oxygen
- Experimental and Investigational services, devices, drugs
- Gamma Knife, Cyber knife
- Genetic testing / counseling
- Home health care infusions – (see attached list)
- Home health aide
- Hospice - inpatient
- Hyperbaric services
- Imaging - PET or PET/CT fusion scans; MRI/MRA; CTA; CTTA
- Implantable pain & insulin pumps, spinal stimulators and trials, peripheral stimulators
- Injectable medications / infusions (see attached list)
- Lab tests for Specialty disease markers
- Neuropsych testing
- Nuclear cardiology in outpatient hospital setting CPT codes billed with A9500 or A9505
- Orthotics and prosthetics
- Pain management (all services beyond initial evaluation)
- Rehabilitation, full- or partial-day and inpatient; including cardiac and pulmonary rehab
- Rhinoplasty
- Septoplasty
- Sleep Studies
- Transplants
- Varicose vein surgical treatments including Sclerotherapy

Listed here are injectable medications / infusions that require pre-certification from Coventry Health Care prior to services being performed. Please call Coventry's Health Services department at 877-837-8914 with any questions.

To obtain authorization for services or to inquire about benefits for Mental Health, Alcohol and Drug Abuse Services, please contact **MH Net Behavioral Health**, PO Box 209010 Austin, TX 78720, or (866) 607-5970.

How to request precertification for an admission or get prior authorization for Other services

First, your physician, your hospital, you, or your representative, must call us at 877-837-8914 (866-607-5970 for Mental Health or Substance Abuse) before admission or service requiring prior authorization are rendered.

Next, provide the following information:

- enrollee's name and Plan identification number;
- patient's name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting physician;
- name of hospital or facility; and
- number of planned days of confinement.

• **Non-urgent care claims**

For non-urgent care claims, we will then tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need of an extension of time before the end of the original 15 day period. Our notice will include the circumstances underlying the request for the extension and the date when decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

- **Urgent care claims**

If you have an urgent care claim (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of an physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether it is an urgent care claim by applying the judgement of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to provide notice of the specific information we need to complete our review of the claim. We will allow you up to 48 hours from the receipt of this notice to provide the necessary information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claims on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at 1-800-969-3343. You may also call OPM's Health Insurance at (202) 606-0737 between 8 a.m. and 5 p.m. eastern time to ask for simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, then call us at 1-800-969-3343. If it is determined that your claim is an urgent care claim, we will hasten our review (if we have not yet responded to your claim).

- **Emergency inpatient admission**

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must telephone us within two business days following the day of the emergency admission, even if you have been discharged from the hospital.

- **Maternity services**

Maternity-related Covered Services are treated as any other illness, including testing for lead poisoning. Hospital Coverage for the mother and her newborn child includes forty-eight (48) hours of post-natal maternity care for vaginal delivery and ninety-six (96) hours of post-natal maternity care for cesarean delivery. The Plan may authorize a shorter hospital stay if the attending provider, after consulting with the mother, approves discharging earlier than 48 hours (or 96 hours as applicable). The discharge shall be made in accordance with the most current version of the "Guidelines for Perinatal Care", or similar guidelines.

The Plan shall provide post-discharge care consisting of two visits by a registered professional nurse, at least one of which shall be in the home. The services provided includes a physical assessment of the newborn and mother, parent education, assistance and training in breast or bottle feeding, education and services for complete childhood immunizations, the performance of any necessary and appropriate clinical tests, and submission of a metabolic specimen satisfactory to the state laboratory. The location and schedule of the post-discharge visits shall be determined by the attending physician who has approved the early discharge. Inpatient Hospital services may be subject to Your Responsibility as defined in the Schedule of Benefits.

- **If your treatment needs to be extended**

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

What happens when you do not follow the precertification rules when using non-network facilities	You are responsible for verifying precertification has been obtained whenever you seek covered services from a non-participating provider. Failure to obtain precertification could result in a reduction of benefits.
Circumstances beyond our control	Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.
If you disagree with our pre-service claim decision	<p>If you have a pre-service claim and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below.</p> <p>If you have already received the service, supply, or treatment, then you have a post-service claim and must follow the entire disputed claims process detailed in Section 8.</p>
<ul style="list-style-type: none"> • To reconsider a non-urgent care claim 	<p>Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.</p> <p>Subject to a request for additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will hasten the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.</p>
<ul style="list-style-type: none"> • To file an appeal with OPM 	After we reconsider your pre-service claim , if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your cost for covered services

This is what you will pay out-of-pocket for covered care.

Cost-sharing Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Coinsurance Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance does not begin until you have met your calendar year deductible.

Example: In our Plan, you pay 50% of our allowance for infertility services and for covered durable medical equipment.

Copayments A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services. You are responsible for paying copayments to providers at the time of service.

Example: When you see a primary care physician or OB/GYN under the High Option you pay a copayment of \$25 per office visit.

Deductible A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible.

High Option Plan:

The calendar year deductible is \$750 Self Only and \$2,250 Self and Family.

Standard Option Plan:

The calendar year deductible is \$1,750 Self Only and \$5,250 Self and Family.

High Deductible Health Plan: The calendar year deductible is \$2,500 for Self Only and \$5,000 for Self and Family. The individual deductible applies to members enrolled in Self Only. The family deductible applies collectively to all members enrolled in Self and Family. After you have paid your Single Only or Self and Family calendar year deductible amount, we pay 80% of our allowable for covered Traditional services for the remainder of the calendar year.

Note: If you change Plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new Plan. If you change plans at another time during the year, you must begin a new deductible under your new Plan.

If you change options in this Plan during the year, we will credit the amount of covered expenses already applied toward the deductible of your old option to the deductible of your new option.

Your catastrophic protection out-of-pocket maximum

After your copayments, any applicable deductible, and coinsurance total the amounts listed below, you do not have to pay any more for covered services. Be sure to keep accurate records of your copayments, applicable deductible and coinsurance since you are responsible for informing us when you reach the maximum.

High Option Plan: After your copayments, deductible, and coinsurance total the amounts listed below in the calendar year, you do not have to pay any more for covered services. However, copayments or coinsurance for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments or coinsurance for: Dental benefits and Prescription drug benefits.

Under our **High Option Plan** the out-of-pocket maximum for Self Only is \$3,500 and \$7,000 for Self and Family.

Standard Option Plan: After your copayments, deductible, and coinsurance total the amounts listed below in the calendar year, you do not have to pay any more for covered services. However, copayments, deductible, or coinsurance for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments or coinsurance for: Dental benefits and Prescription drug benefits.

Under our **Standard Option Plan** the out-of-pocket maximum for Self Only is \$4,000 and \$8,000 for Self and Family.

High Deductible Health Plan: After your copayments, coinsurance and deductible total the amounts listed below in the calendar year, you do not have to pay any more for covered services. However, copayments or coinsurance for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments or coinsurance for: Dental benefits. The individual out-of-pocket maximum applies to members enrolled in Self Only. The family out-of-pocket maximum applies collectively to all members enrolled in Self and Family.

Under our **High Deductible Health Plan** the out-of-pocket maximum for Self Only is \$4,000 and \$8,000 for Self and Family. Deductible, coinsurance and copayments are included in your out-of-pocket maximum.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense, and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

If we overpay you

We will make diligent efforts to recover benefit payments we made in error but in good faith. We may reduce subsequent benefit payments to offset overpayments.

Section 5. High and Standard Option Benefits

See page 16 for how our benefits changed this year. On page 130 and page 131 is a benefit summary of each option. Make sure that you review the benefits that are available under the option which you are enrolled.

Section 5. High and Standard Option Benefits Overview

This Plan offers both a High and Standard Option. Both benefit packages are described in Section 5. Make sure that you review the benefits that are available under the option in which you are enrolled.

The High and Standard Option Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of the subsections. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about High and Standard Option benefits, contact us at 1-800-969-3343 or at our website at www.chckansas.com.

Each option offers unique features.

- You are not required to select a primary care physician. Please be sure the provider you select – or the provider or facility you are referred to – is part of the Coventry Network. It is ultimately your responsibility to verify this information. By doing so, you get the most from your health Plan and protect yourself from paying more than you have to for covered benefits.
- You do not need a referral from a primary care physician to see a specialist.
- These Plans include annual wellness/preventive care exams to You at no cost.
- These Plans provide diabetic and nutritional counseling when You are diagnosed with high cholesterol, high blood pressure, diabetes, and obesity.
- Routine eye exams are available to all members. Please select from one of our Coventry Network Optometrists.
- These Plans include preventive dental diagnostic services using the Coventry Dental Network.

Features of our High Option

- A calendar year deductible of \$750 Self Only and limited to \$2,250 Self and Family.
- Catastrophic protection per calendar year is limited to \$3,500 for Self Only and \$7,000 for Self and Family.

Features of our Standard Option

- A calendar year deductible of \$1,750 Self Only and limited to \$5,250 Self and Family.
- Catastrophic protection per calendar year is limited to \$4,000 for Self Only and \$8,000 for Self and Family.

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center or the outpatient department of a hospital.
- High Option: The calendar year deductible is \$750 Self Only and \$2,250 Self and Family. The calendar year deductible applies to almost all benefits in this Section. We added ("No Deductible") to show when the calendar year deductible does not apply.
- Standard Option: The calendar year deductible is \$1,750 Self Only and \$5,250 Self and Family. The calendar year deductible applies to almost all benefits in this Section. We added ("No Deductible") to show when the calendar year deductible does not apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that manifests itself by symptoms of sufficient severity that would lead a prudent layperson to believe that immediate care is required. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

In a medical emergency, call the local emergency system (e.g., the local 911 telephone system), or go to the nearest emergency facility. Be sure to tell the paramedics, or emergency room personnel that you are a Coventry Health Care of Kansas, Inc. Plan member so they can notify us. You or a family member must notify the Plan within 48 hours or as soon as reasonably possible. It is your responsibility to ensure that the Plan has been timely notified.

Emergencies within our service area:

If your symptoms are not life-threatening, contact your physician, who is on call 24 hours a day, seven days a week. During after hours or weekends, your physician may use an answering service, therefore your physician or covering physician will generally return your call within 30 minutes. We also provide **FirstHelp**, which is available to our members 24 hours a day, seven days a week by calling **1-800-622-9528**. With this service, registered nurses are available to help you to the appropriate level of care or provide medical advice.

If you need to be hospitalized and are admitted to a non-Plan facility, call Customer Service at 1-800-969-3343. You must notify us about your medical emergency within a reasonable time period as dictated by the circumstances. If you are hospitalized in a non-Plan hospital and a Plan physician believes your care can be provided in one of our Plan hospitals, we will transfer you when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan.

We also provide access to Take Care Clinics (Walgreens), Minute Clinics (CVS Pharmacy), and several urgent care centers which are open on evenings, weekends and holidays, and are designed to give our members fast, effective quality care for non-emergent conditions such as: sprains, influenza, sore throats, ear infections, minor lacerations, and upper respiratory infections.

Emergencies outside our service area:

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness. If you are hospitalized, the Plan must be notified within 48 hours on the first working day following your admission, unless it is not reasonably possible to notify the Plan within that time. If a Plan physician believes your care can be provided in one of our Plan hospitals, we will transfer you when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan.

Section 5(e). Mental health and substance abuse benefits

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- High Option: The calendar year deductible is \$750 Self Only and \$2,250 Self and Family. The calendar year deductible applies to almost all benefits in this Section. We added ("No Deductible") to show when the calendar year deductible does not apply
- Standard Option: The calendar year deductible is \$1,750 Self Only and \$5,250 Self and Family. The calendar year deductible applies to almost all benefits in this Section. We added ("No Deductible") to show when the calendar year deductible does not apply
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

YOU MUST GET PREAUTHORIZATION FOR THESE SERVICES. Benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. To be eligible to receive full benefits, you must follow the preauthorization process and get Plan approval of your treatment plan with MHNet Behavioral Health at 1-866-607-5970. They can be reached 24 hours a day, 7 days a week to answer questions and assist you in choosing appropriate services. Your mental health provider will obtain subsequent authorizations for treatment.

We will provide medical review criteria or reasons for treatment plan denials to enrollees, patient or providers upon request or as otherwise required.

OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Preauthorization

To be eligible to receive these benefits you must obtain a treatment plan and follow all of the following network authorization processes.

MHNet Behavioral Health, is contracted by Coventry Health Care of Kansas, Inc., to provide a network of providers who offer a variety of therapeutic services on an inpatient and outpatient basis.

All inpatient and outpatient treatment must be authorized through MHNet Behavioral Health, at 1-866-607-5970.

Limitation

We may limit your benefits if you do not obtain a treatment plan.

Section 5(f). Prescription drug benefits

Important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible for prescription drug benefits.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

Who can write your prescription. A licensed physician, referral physician or oral surgeon must write the prescription.

Where you can obtain them. You may fill the prescription at a participating pharmacy. You may obtain maintenance medication through Caremark, our mail order prescription drug program. **Medco's Customer Service number for Coventry Health Care of Kansas' Plan members is 1-800-378-7040.**

We use a formulary. A formulary is a list of specific generic and brand name prescription drugs authorized by the Health Plan, and subject to periodic review and modification. Since there may be more than one brand name of a prescription drug, not all brands of the same prescription drug (e.g., different manufactures) may be included in the Formulary. If you would like information on whether a specific drug is included in our drug formulary, please call the Customer Service Department at 1-800-969-3343. If your Plan physician specifically prescribes a non-formulary drug because it is medically necessary, you will receive the non-formulary drug at the Plan non-formulary copayment. If you request a non-formulary drug when your physician has prescribed a substitution, we will not provide the non-formulary drug.

These are the dispensing limitations. Prescription drugs will be dispensed in the quantity determined by the prescribing provider. The following also apply:

- One (1) applicable copayment is due each time a prescription is filled or refilled at a retail pharmacy for up to a thirty-one (31) day supply.
- Mail order drugs are obtained through Medco, our mail order prescription drug program, and may be dispensed with three (3) applicable copayment(s) for a ninety-three (93) day supply. To order prescriptions or refills please contact Medco's Customer Service number for Coventry Health Care of Kansas' Plan members at 1-800-378-7040 or visit the web site www.rxrequest.com. Available 24 hours a day – 7 days a week.
- To promote appropriate utilization, or following manufacturer's recommendations, certain plan approved medications may have a quantity limit on the amount of medication dispensed and Prior Authorization must be obtained prior to dispensing.
- We reserve the right to include only one dosage or form of a drug on our Formulary when the same drug (i.e., a drug with the same active ingredient) is available in different dosages or forms (i.e., dissolvable tablets, capsules, etc) from the same or different manufacturers. The product, in the dosage or form, that is listed on the Formulary will be Covered at the applicable Member Responsibility. The drug, product or products, in different forms or dosages or from the same or different manufacturers, not listed on the Formulary will be excluded from coverage.
- Coverage of Prescription Drugs, therapeutic devices or supplies requiring a Prescription Order and prescribed by a Prescribing Provider is limited to Plan approved drugs, devices, supplies, or spacers for metered dose inhalers.

Members called to active military duty in a time of national or other emergency who need to obtain a greater-than-normal supply of prescribed medications should call us at 1-800-969-3343.

- If a brand name prescription drug is dispensed, and an equivalent generic prescription is available, you pay an ancillary charge in addition to the formulary brand name copayment. The ancillary charge will be due whether or not the prescribing provider indicates that the pharmacy is to "Dispense as Written." The ancillary charge is the difference between the average wholesale price of the brand name and the maximum allowable cost price of the generic prescription. Copayments and ancillary charges do not apply to the catastrophic protection out-of-pocket maximum.

Why use generic drugs? Generic drugs are lower-priced drugs that are the therapeutic equivalent to more expensive brand-name drugs. They must contain the same active ingredients and must be equivalent in strength and dosage to the original brand-name product. Generics cost less than the equivalent brand-name product. The U.S. Food and Drug Administration sets quality standards for generic drugs to ensure that these drugs meet the same standards of quality and strength as brand-name drugs. Generic drugs are indicated on the formulary listing of prescription drugs.

When you do have to file a claim. When you receive drugs from a Plan pharmacy, you do not have to file a claim. For a covered out-of-area emergency, you will need to file a claim when you receive drugs from a non-Plan pharmacy.

Section 5(g). Dental benefits

Important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable when we determine they are dentally necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- We have no calendar year deductible for diagnostic and preventative services.
- Locate a Coventry Dental Provider at www.chckansas.com, under Member page, click on "Find a dentist" to search for a provider in your area or call customer service toll-free at 1-866-433-6391. If you are unable to locate a network provider in your area, you may seek covered dental service from a non-participating provider at no additional cost.
- There are no benefits for any service which is not specifically listed in this brochure.
- Some procedures and treatments may have specific age and frequency limitations as noted below.
- We cover hospitalization for dental procedures only when a non-dental physical impairment which makes hospitalization necessary to safeguard the health of the patient. Section 5(c) for inpatient benefits. We do not cover the dental procedure unless it is described below.
- Important Note: **IT IS YOUR RESPONSIBILITY TO BE INFORMED ABOUT YOUR DENTAL COVERAGE.**

If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we do not guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process (see Section 8).

Summary of benefits for the HDHP of Coventry Health Care of Kansas, Inc. - 2013	132

Section 5. High Deductible Health Plan Benefits Overview

This Plan offers a High Deductible Health Plan (HDHP). The HDHP benefit package is described in this section. Make sure that you review the benefits that are available under the benefit product in which you are enrolled.

HDHP Section 5, which describes the HDHP benefits, is divided into subsections. Please read *Important things you should keep in mind* at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about HDHP benefits, contact us at 1-800-969-3343 or at our website at www.chckansas.com.

Our HDHP option provides comprehensive coverage for high-cost medical events and a tax-advantaged way to help you build savings for future medical expenses. The Plan gives you greater control over how you use your health care benefits.

When you enroll in this HDHP, we establish either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA) for you. We automatically pass through a portion of the total health Plan premium to your HSA or credit an equal amount to your HRA based upon your eligibility. Your full annual HRA credit will be available on your effective date of enrollment.

With this Plan, preventive care is covered in full. As you receive other non-preventive medical care, you must meet the Plan's deductible before we pay benefits according to the benefits described in this Section. You can choose to use funds available in your HSA to make payments toward the deductible or you can pay toward your deductible entirely out-of-pocket, allowing your savings to continue to grow.

This HDHP includes five key components: preventive care; traditional medical coverage health care that is subject to the deductible; savings, catastrophic protection for out-of-pocket expenses, and, health education resources and account management tools.

- **Preventive care**

The Plan covers preventive care services, such as periodic health evaluations (e.g., annual physicals), screening services (e.g., mammograms), routine prenatal and well-child care and child immunizations. These services are covered at 100%, if you use a network provider and the services are described in Section 5. *Preventive care*.
- **Traditional medical coverage**

After you have paid the Plan's deductible, we pay benefits under traditional medical coverage described in the HDHP Section 5(b).

Covered services include:

 - Medical services and supplies provided by physicians and other health care professionals
 - Hearing services and devices
 - Surgical and anesthesia services provided by physicians and other health care professionals
 - Hospital services; other facility or ambulance services
 - Emergency services/accidents
 - Mental health and substance abuse benefits
 - Prescription drug benefits
 - Dental benefits
- **Savings**

Health Savings Accounts or Health Reimbursement Arrangements provide a means to help you pay out-of-pocket expenses (See Section 5a Savings - HSAs and HRAs)

Health Savings Accounts (HSA)

By law, HSAs are available to members who are not enrolled in Medicare, cannot be claimed as a dependent on someone else's tax return, have not received VA Indian Health Services (IHS) benefits within the last three months, or do not have other health insurance coverage other than another high deductible health plan. In 2013, for each month you are eligible for an HSA premium pass through, we will contribute to your HSA \$83.33 per month for a Self-Only enrollment or \$166.66 per month for a Self and Family enrollment. In addition to our monthly contribution, you have the option to make additional tax-free contributions to your HSA, so long as total contributions do not exceed the limit established by law, which is \$3,250 for an individual and \$6,450 for family - see maximum contribution information in HDHP Section 5(c). You can use funds in your HSA to help pay your health plan deductible. You own your HSA, so the funds can go with you if you change plans or employment.

Federal tax tip: There are tax advantages to fully funding your HSA as quickly as possible. Your HSA contribution payments are fully deductible on your Federal tax return. By fully funding your HSA early in the year, you have the flexibility of paying medical expenses from tax-free HSA dollars or after tax out-of-pocket dollars. If you don't deplete your HSA and you allow the contributions and the tax-free interest to accumulate, your HSA grows more quickly for future expenses.

HSA features include:

- Your HSA is administered by Coventry Consumer Advantage (C3).
- Your contributions to the HSA are tax deductible
- You may establish pre-tax HSA deductions from your paycheck to fund your HSA up to IRS limits using the same method that you use to establish other deductions (i.e., Employee Express, MyPay, etc.)
- You can make tax-free withdrawals for qualified medical expenses for you, your spouse and dependents. (See IRS publication 502 for a complete list of eligible expenses.)
- Your unused HSA funds and interest accumulate from year to year
- It's portable - the HSA is owned by you and is yours to keep, even when you leave Federal employment or retire
- When you need it, funds up to the actual HSA balance are available
- Smart Payment features as described on page 14.

Important consideration if you want to participate in a Health Care Flexible Spending Account (HCFSA): If you are enrolled in this HDHP with a Health Savings Account (HSA), and start or become covered by a HCFSA health care flexible spending account (such as FSAFEDS offers – see Section 11), this HDHP cannot continue to contribute to your HSA. Similarly, you cannot contribute to an HSA if your spouse enrolls in an HCFSA. Instead, when you inform us of your coverage in an HCFSA, we will establish an HRA for you.

Health Reimbursement Arrangements (HRA)

If you aren't eligible for an HSA, for example, you are enrolled in Medicare or have another health plan, we will administer and provide an HRA instead. You must notify us when you are ineligible for an HSA.

In 2013, we will give you an HRA credit of \$83.33 per month, up to \$1,000 per year, for a Self-Only enrollment and \$166.66 per month, up to \$2,000 per year, for a Self and Family enrollment. You can use funds in your HRA to help pay your health Plan deductible and/or for certain expenses that don't count toward the deductible.

HRA features include:

- For our HDHP option, the HRA is administered by Coventry Consumer Advantage (C3).

- Tax-free credit can be used to pay for qualified medical expenses for you and any individuals covered by this HDHP
- Unused credits carryover from year to year
- HRA credit does not earn interest
- HRA credit is forfeited if you leave Federal employment or switch health insurance plans
- Smart Pay features as described on page 14.
- An HRA does not affect your ability to participate in an FSAFEDS Health Care Flexible Spending Account (HCFSAs). However, you must meet FSAFEDS eligibility requirements.

- **Catastrophic protection for out-of-pocket expenses**

When you use network providers, your annual maximum for out-of-pocket expenses (deductibles and copayments) for covered services is limited to \$4,000 Self Only or \$8,000 Self and Family. However, certain expenses do not count toward your out-of-pocket maximum and you must continue to pay these expenses once you reach your out-of-pocket maximum (such as expenses in excess of the Plan's benefit limit). Refer to Section 4 *Your catastrophic protection out-of-pocket maximum*, HDHP Section 5(b) *Traditional medical coverage subject to the deductible* for more details.

- **Health education resources and account management tools**

HDHP Section 5(i) describes the health education resources and account management tools available to you to help you manage your health care and your health care dollars.

Eligibility	<p>You must:</p> <ul style="list-style-type: none"> • Enroll in this HDHP • Have no other health insurance coverage (does not apply to specific injury, accident, disability, dental, vision or long-term care coverage) • Not be enrolled in Medicare • Not be claimed as a dependent on someone else's tax return • Not have received VA benefits in the last three months • Complete and return all banking paperwork 	<p>You must enroll in this HDHP.</p> <p>Eligibility is determined on the first day of the month following your effective day of enrollment and will be prorated for length of enrollment.</p>
Funding	If you are eligible for HSA contributions, a portion of your monthly health plan premium is deposited to your HSA each month. Premium pass through contributions are based on the effective date of your enrollment in the HDHP.	Eligibility for the annual credit will be determined on the first day of the month and will be prorated for length of enrollment. The entire amount of your HRA will be available to you upon your enrollment.

	In addition, you may establish pre-tax HSA deductions from your paycheck to fund your HSA up to IRS limits using the same method that you use to establish other deductions (i.e. Employee Express, MyPay, etc.).	
• Self Only enrollment	For 2013, a monthly premium pass through of \$83.33 will be made by the HDHP directly into your HSA each month.	For 2013, your HRA annual credit is \$1,000 (prorated for mid-year enrollment).
• Self and Family enrollment	For 2013, a monthly premium pass through of \$166.66 will be made by the HDHP directly into your HSA each month.	For 2013, your HRA annual credit is \$2,000 (prorated for mid-year enrollment).
Contributions/credits	<p>The maximum that can be contributed to your HSA is an annual combination of HDHP premium pass through and enrollee contribution funds, which when combined, do not exceed the maximum contribution amount set by the IRS of \$3,250 for an individual and \$6,450 for a family.</p> <p>If you enroll during Open Season, you are eligible to fund your account up to the maximum contribution limit set by the IRS. To determine the amount you may contribute, subtract the amount the Plan will contribute to your account for the year from the maximum allowable contribution.</p> <p>You are eligible to contribute up to the IRS limit for partial year coverage as long as you maintain your HDHP enrollment for 12 months following the last month of the year of your first year of eligibility. To determine the amount you may contribute, take the IRS limit and subtract the amount the Plan will contribute to your account for the year.</p> <p>If you do not meet the 12 month requirement, the maximum contribution amount is reduced by 1/12 for any month you were ineligible to contribute to an HSA. If you exceed the maximum contribution amount, a portion of your tax reduction is lost and a 10% penalty is imposed. There is an exception for death or disability.</p>	The full HRA credit will be available, subject to proration, on the effective date of enrollment. The HRA does not earn interest.

	<p>You may rollover funds you have in other HSAs to this HDHP HSA (rollover funds do not affect your annual maximum contribution under this HDHP).</p> <p>HSAs earn tax-free interest (does not affect your annual maximum contribution).</p> <p>Catch-up contribution discussed on page 75.</p>	
• Self Only enrollment	You may make an annual maximum contribution of \$3,250 .	You cannot contribute to the HRA.

If you have an HSA

- **Contributions**

All contributions are aggregated and cannot exceed the maximum contribution amount set by the IRS. You may contribute your own money to your account through payroll deductions, or you may make lump sum contributions at any time, in any amount not to exceed an annual maximum limit. If you contribute, you can claim the total amount you contributed for the year as a tax deduction when you file your income taxes. Your own HSA contributions are either tax-deductible or pre-tax (if made by payroll deduction). You receive tax advantages in any case. To determine the amount you may contribute, subtract the amount the Plan will contribute to your account for the year from the maximum contribution amount set by the IRS. You have until April 15 of the following year to make HSA contributions for the current year.

If you newly enroll in an HDHP during Open Season and your effective date is after January 1st or you otherwise have partial year coverage, you are eligible to fund your account up to the maximum contribution limit set by the IRS as long as you maintain your HDHP enrollment for 12 months following the last month of the year of your first year of eligibility. If you do not meet this requirement, a portion of your tax reduction is lost and a 10% penalty is imposed. There is an exception for death or disability.

- **Catch-up contributions**

If you are age 55 or older, the IRS permits you to make additional “catch-up” contributions to your HSA. The allowable catch-up contribution is \$1,000. Contributions must stop once an individual is enrolled in Medicare. Additional details are available on the U.S. Department of Treasury Web site at www.ustreas.gov/offices/public-affairs/hsa/.

- **If you die**

If you do not have a named beneficiary, if you are married, it becomes your spouse’s HSA; otherwise, it becomes part of your taxable estate.

- **Qualified expenses**

You can pay for “qualified medical expenses,” as defined by IRS Code 213(d). These expenses include, but are not limited to, medical plan deductibles, diagnostic services covered by your plan, long-term care premiums, health insurance premiums if you are receiving Federal unemployment compensation, **physician prescribed** over-the-counter drugs, LASIK surgery, and some nursing services.

When you enroll in Medicare, you can use the account to pay Medicare premiums or to purchase health insurance other than a Medigap policy. You may not, however, continue to make contributions to your HSA once you are enrolled in Medicare.

For a detailed list of IRS-allowable expenses, request a copy of IRS Publication 502 by calling 1-800-829-3676, or visit the IRS Web site at www.irs.gov and click on “Forms and Publications.” Note: Although **physician prescribed** over-the-counter drugs are not listed in the publication, they are reimbursable from your HSA. Also, insurance premiums are reimbursable under limited circumstances.

- **Non-qualified expenses**

You may withdraw money from your HSA for items other than qualified health expenses, but it will be subject to income tax and if you are under 65 years old, an additional 20% penalty tax on the amount withdrawn.

- **Tracking your HSA balance**

You will receive a periodic statement that shows the “premium pass through”, withdrawals, and interest earned on your account. In addition, you will receive an Explanation of Payment statement when you withdraw money from your HSA. You may go to www.chckansas.com and view your account through My Online Services.

- **Minimum reimbursements from your HSA**

You can request reimbursement in any amount. However, funds will not be disbursed until your reimbursement totals at least \$25.

If you have an HRA

• **Why an HRA is established**

If you don't qualify for an HSA when you enroll in this HDHP, or later become ineligible for an HSA, we will establish an HRA for you. If you are enrolled in Medicare, you are ineligible for an HSA and we will establish an HRA for you. You must tell us if you become ineligible to contribute to an HSA.

• **How an HRA differs**

Please review the chart on page 71 which details the differences between an HRA and an HSA. The major differences are:

- you cannot make contributions to an HRA
- funds are forfeited if you leave the HDHP
- an HRA does not earn interest
- HRAs can only pay for qualified medical expenses, such as deductibles, copayments, and coinsurance expenses, for individuals covered by the HDHP. FEHB law does not permit qualified medical expenses to include services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.

Section 5. Preventive care

Important things you should keep in mind about these benefits:

- Preventive care services listed in this Section are not subject to the deductible.
- You must use providers that are part of our network.
- For all other covered expenses, please see Section 5 – *Traditional medical coverage subject to the deductible*.

Section 5. Traditional medical coverage subject to the deductible

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- In-network preventive care is covered at 100% (see page 77) and is not subject to the calendar year deductible.
- The deductible is \$2,500 Self Only or \$5,000 Self and Family enrollment. The family deductible can be satisfied by one or more family members. The deductible applies to almost all benefits in Section 5. You must pay your deductible before your Traditional Medical Coverage may begin.
- Under Traditional Medical Coverage, you are responsible for your deductible for covered expenses.
- When you use network providers, you are protected by an annual catastrophic maximum on out-of-pocket expenses for covered services. After your copayments and deductibles total \$4,000 Self Only or \$8,000 Self and Family enrollment in any calendar year, you do not have to pay any more for covered services from network providers. However, certain expenses do not count toward your out-of-pocket maximum and you must continue to pay these expenses once you reach your out-of-pocket maximum (such as expenses in excess of the Plan's benefit limits, and payments for dental care services).
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage including with Medicare.

Deductible before Traditional medical coverage begins	HDHP Option
<p>The deductible applies to almost all benefits in this Section. In the You Pay column, we say "No Deductible" when it does not apply. When you receive covered services from network providers, you are responsible for paying the allowable charges until you meet the deductible.</p> <p>After you meet the deductible and catastrophic out-of-pocket maximum, we pay the allowable charge for covered services.</p>	<p>100% of allowable charges until you meet the deductible of \$2,500 for Self-Only or \$5,000 for Self and family.</p>

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- You must use providers that are part of our network.
- The deductible is \$2,500 Self Only or \$5,000 Self and Family enrollment. The family deductible can be satisfied by one or more family members. The deductible applies to almost all benefits in this Section, unless we indicate differently.
- After you have satisfied your deductible, coverage begins for traditional medical services.
- Under Traditional Medical Coverage, you will be responsible for your deductible, coinsurance and copayments for eligible medical expenses and prescriptions.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- You must use providers that are part of our network.
- The deductible is \$2,500 Self Only or \$5,000 Self and Family enrollment. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to almost all benefits in this Section, unless we indicate differently.
- After you have satisfied your deductible, coverage begins for traditional medical services.
- Under Traditional Medical Coverage, you will be responsible for your deductible, coinsurance, and copayments for eligible covered services.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PRECERTIFICATION FOR SOME SURGICAL PROCEDURES.** Please refer to the precertification information in Section 3 to be sure which services require precertification.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that manifests itself by symptoms of sufficient severity that would lead a prudent layperson to believe that immediate care is required. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

In a life-threatening emergency, call the local emergency system (e.g., the local 911 telephone system), or go to the nearest emergency facility. Be sure to tell the paramedics, or emergency room personnel that you are a Coventry Health Care of Kansas, Plan member so they can notify us. You or a family member must notify the Plan within 48 hours, or as soon as reasonably possible. It is your responsibility to ensure that the Plan has been timely notified.

Emergencies within our service area:

If your symptoms are not life-threatening, contact a primary care physician, who is on call 24 hours a day, seven days a week. During after hours or weekends, your physician may use an answering service, therefore your physician or covering physician will generally return your call within 30 minutes. We also provide **FirstHelp**, which is available to our members 24 hours a day, seven days a week by calling **1-800-622-9528**. With this service, registered nurses are available to help you to the appropriate level of care or provide medical advice.

If you need to be hospitalized and are admitted to a non-Plan facility, call Customer Service at 1-800-969-3343. You must notify us about your medical emergency within a reasonable time period as dictated by the circumstances. If you are hospitalized in a non-Plan hospital and a Plan physician believes your care can be provided in one of our Plan hospitals, we will transfer you when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan.

We also provide access to Take Care Clinics (Walgreens), Minute Clinics (CVS Pharmacy), and several urgent care centers which are open on evenings, weekends and holidays, and are designed to give our members fast, effective quality care for non-emergent conditions such as: sprains, influenza, sore throats, ear infections, minor lacerations, and upper respiratory infections.

Emergencies outside our service area:

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness. If you are hospitalized, the Plan must be notified within 48 hours on the first working day following your admission, unless it is not reasonably possible to notify the Plan within that time. If a Plan physician believes your care can be provided in one of our Plan hospitals, we will transfer you when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan.

Section 5(e). Mental health and substance abuse benefits

You need to get Plan approval (preauthorization) for services and follow a treatment plan we approve in order to get benefits. When you receive services as part of an approved treatment plan, cost-share and limitations for Plan mental health and substance abuse benefits are no greater than for similar benefits for other illnesses and conditions.

Important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$2,500 for Self Only enrollment and \$5,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits in this Section.
- After you have satisfied your deductible, your Traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your deductible, coinsurance and copayments for eligible covered services.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

YOU MUST GET PREAUTHORIZATION FOR THESE SERVICES. Benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. To be eligible to receive full benefits, you must follow the preauthorization process and get Plan approval of your treatment plan with MHNet Behavioral Health at 1-866-607-5970. They can be reached 24 hours a day, 7 days a week to answer questions and assist you in choosing appropriate services. Your mental health provider will obtain subsequent authorizations for treatment.

We will provide medical review criteria or reasons for treatment plan denials to enrollees, patient or providers upon request or as otherwise required.

OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Preauthorization

To be eligible to receive these benefits you must obtain a treatment plan and follow all of the following network authorization processes.

MHNet Behavioral Health, is contracted by Coventry Health Care of Kansas, Inc., to provide a network of providers who offer a variety of therapeutic services on an inpatient and outpatient basis.

All inpatient and outpatient treatment must be authorized through MHNet Behavioral Health, at 1-866-607-5970.

In-network limitation

We may limit your benefits if you do not obtain an approved treatment plan.

Section 5(f). Prescription drug benefits

Important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$2,500 for Self Only enrollment and \$5,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits in this Section.
- After you have satisfied your deductible, your Traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your deductible, copayments, and coinsurances for covered prescriptions.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

Who can write your prescription. A licensed physician, referral physician or oral surgeon must write the prescription.

Where you can obtain them. You may fill the prescription at a participating pharmacy. You may obtain maintenance medication through Caremark, our mail order prescription drug program. **Medco's Customer Service number for Coventry Health Care of Kansas' Plan members is 1-800-378-7040.**

We use a formulary. A formulary is a list of specific generic and brand name prescription drugs authorized by the Health Plan, and subject to periodic review and modification. Since there may be more than one brand name of a prescription drug, not all brands of the same prescription drug (e.g., different manufactures) may be included in the Formulary. If you would like information on whether a specific drug is included in our drug formulary, please call the Customer Service Department at 1-800-969-3343. If your Plan physician specifically prescribes a non-formulary drug because it is medically necessary, you will receive the non-formulary drug at the Plan non-formulary copayment. If you request a non-formulary drug when your physician has prescribed a substitution, we will not provide the non-formulary drug.

These are the dispensing limitations. Prescription drugs will be dispensed in the quantity determined by the prescribing provider. The following also apply:

- Applicable cost share is due each time a prescription is filled or refilled at a retail pharmacy for up to a thirty-one (31) day supply.
- Mail order drugs are obtained through Medco, our mail order prescription drug program, and may be dispensed up to a ninety-three (93) day supply. To order prescriptions or refills please contact Medco's Customer Service number for Coventry Health Care of Kansas' Plan members at 1-800-378-7040 or visit the web site www.rxrequest.com. Available 24 hours a day – 7 days a week.
- To promote appropriate utilization, or following manufacturer's recommendations, certain plan approved medications may have a quantity limit on the amount of medication dispensed and Prior Authorization must be obtained prior to dispensing.
- We reserve the right to include only one dosage or form of a drug on our Formulary when the same drug (i.e., a drug with the same active ingredient) is available in different dosages or forms (i.e., dissolvable tablets, capsules, etc) from the same or different manufacturers. The product, in the dosage or form, that is listed on the Formulary will be Covered at the applicable Member Responsibility. The drug, product or products, in different forms or dosages or from the same or different manufacturers, not listed on the Formulary will be excluded from coverage.
- Coverage of Prescription Drugs, therapeutic devices or supplies requiring a Prescription Order and prescribed by a Prescribing Provider is limited to Plan approved drugs, devices, supplies, or spacers for metered dose inhalers.

Members called to active military duty in a time of national or other emergency who need to obtain a greater-than-normal supply of prescribed medications should call us at 1-800-969-3343. If a brand name prescription drug is dispensed, and an equivalent generic prescription is available, you pay an ancillary charge in addition to the formulary brand name copayment. The ancillary charge will be due whether or not the prescribing provider indicates that the pharmacy is to “Dispense as Written.” The ancillary charge is the difference between the average wholesale price of the brand name and the maximum allowable cost price of the generic prescription. Copayments and ancillary charges do not apply to the catastrophic protection out-of-pocket maximum.

Why use generic drugs? Generic drugs are lower-priced drugs that are the therapeutic equivalent to more expensive brand-name drugs. They must contain the same active ingredients and must be equivalent in strength and dosage to the original brand-name product. Generics cost less than the equivalent brand-name product. The U.S. Food and Drug Administration sets quality standards for generic drugs to ensure that these drugs meet the same standards of quality and strength as brand-name drugs. Generic drugs are indicated on the formulary listing of prescription drugs.

When you do have to file a claim. When you receive drugs from a Plan pharmacy, you do not have to file a claim. For a covered out-of-area emergency, you will need to file a claim when you receive drugs from a non-Plan pharmacy.

Section 5(g). Dental benefits

Important things to keep in mind about these benefits:

- This is summary of benefits only. All benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable when we determine they are dentally necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP), your FEHB Plan will be First Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- Locate a Coventry Dental Provider at www.chckansas.com, under Member page, click on "Find a dentist" to search for a provider in your area or call customer service toll-free at 1-866-433-6391. If you are unable to locate a network provider in your area, you may seek covered dental services from a non-participating provider at no cost.
- The deductible is \$2,500 for Self Only enrollment and \$5,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to almost all benefits in this Section unless we indicate differently.
- There are no benefits for any service which is not specifically listed in this brochure.
- Some procedures and treatments may have specific age and frequency limitations as noted below.
- We cover hospitalization for dental procedures only when a non-dental physical impairment which makes hospitalization necessary to safeguard the health of the patient. Section 5(c) for inpatient benefits. We do not cover the dental procedure unless it is described below.
- Important Note: **IT IS YOUR RESPONSIBILITY TO BE INFORMED ABOUT YOUR DENTAL COVERAGE.**

Section 5(h). Special features

Special feature	Description
Flexible benefits option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we do not guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process (see Section 8).

Section 5(i). Health education resources and account management tools

Special features	Description
Health education resources	<p>Visit the Health Information section of our website at www.chckansas.com for information to help you take command of your health. This section is organized in simple, user-friendly, sections:</p> <ul style="list-style-type: none"> • Assess Your Health– where you will find a simple, free, online health risk assessment tool to benchmark your wellness, and better understand your overall health status and risks. • About Your Health– for information about a specific condition or general preventive guidelines. • Patient Safety • WebMD– our link to this health site also provides wellness and disease information to help improve health. <p>Prescription Drug educational materials are also accessible through our website, through a link to our pharmacy benefit manager, Medco. There, you will find:</p> <ul style="list-style-type: none"> • Detailed information about a wide range of prescription drugs; • A drug interaction tool to help easily determine if a specific drug can have any adverse interactions with each other, with over-the-counter drugs, or with herbals and vitamins; • Facts about why FDA-approved generic drugs should be a first choice for effective, economical treatment. <p>Another key health information tool that we make available to you is our online quality tools, powered by HealthShare. You can review the frequency of procedures performed by a provider, knowing the correlation between frequency of service and quality of outcomes. We post additional quality outcome information, such as re-admission rates within 30 days, post operative complications, and even death rates.</p> <p>We also publish an e-newsletter to keep you informed on a variety of issues related to your good health. Visit our website at www.chckansas.com for back editions of this publication, <i>Living Well</i>.</p> <p>In addition, we augment our health education tools with access to our First Help. Experienced RNs are available through an inbound call center 24 hours a day, seven days per week, to assist you and help you to maximize your benefits, by providing clinical and economic information to make an informed decision on how to proceed with care.</p>

Section 6. General exclusions – services, drugs and supplies we do not cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see Section 3 *When you need prior Plan approval for certain services*.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency services/accidents).
- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary or not within the Plan's utilization policies and procedures.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Educational classes, programs, and other rehabilitative therapies not otherwise listed as covered.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest .
- Services, drugs, or supplies related to sex transformations.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.
- Extra care costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care.
- Research costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes.

Section 7. Filing a claim for covered services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider.

If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-04 form. For claims questions and assistance, contact us at 1-800-969-3343, or at our Web site at www.chckansas.com.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name, date of birth, address, phone number and ID number
- Name and address of the physician or facility that provided the service or supply
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payor – such as the Medicare Summary Notice (MSN)
- Receipts, if you paid for your services

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutions for itemized bills.

Submit your claims to:

CoventryHealth Care of Kansas, Inc.
P.O. Box 7109
London, KY 40742

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 30 day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

**Authorized
Representative**

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, we will permit a health care professional with knowledge of your medical condition to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Notice Requirements

If you live in a county where at least 10 percent of the population is literate only in a non-English language (as determined by the Secretary of Health and Human Services), we will provide language assistance in that non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the health care provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes.

Section 8. The disputed claims process

You may be able to appeal to the U.S. Office of Personnel Management (OPM) if we do not follow the required claims process. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Section 3, 7, and 8 of this brochure, please visit www.coventry-ekits.com.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please contact our Customer Service Department by writing Coventry Health Care of Kansas, Inc., P.O. Box 7109, London, KY 40742 or calling (800) 969-3343.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgement (i.e., medically necessity, experimental/investigational), we will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgement and who was not involved in making the initial decision.

Our reconsideration decision will not afford deference to the initial decision and will be conducted by a plan representative who is neither the individual who made the initial decision that is the subject of the reconsideration, nor the subordinate of that individual.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Disagreements between you and the HDHP fiduciary regarding the administration of an HSA or HRA are not subject to the disputed claims process.

1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">a) Write to us within six (6) months from the date of our decision; andb) Send your request to us at: Coventry Health Care of Kansas, Inc., Attn: Member Appeals, 8320 Ward Parkway, Kansas City, MO 64114 ; andc) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andd) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.e) Your email address (optional), if you would like to receive our decision via email. Please note that by giving us your email, you may receive our decision more quickly. <p>We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.</p>

In the case of a post-service claim, we have 30 days from the date we receive your request to:

2

- a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care or precertify your hospital stay or grant your request for prior approval for a service, drug, or supply); or
- b) Write to you and maintain our denial; or
- c) Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

If you do not agree with our decision, you may ask OPM to review it.

3

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us - if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Professional Management, Healthcare and Insurance, Federal Employee Insurance Operations, Health Insurance 3, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision as wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your expression consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

4

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision with 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at -800-969-3343. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 3 at 202-606-0737 between 8 a.m. and 5 p.m. eastern time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a dependent are covered under this plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Worker's Compensation programs if you are receiving Worker's Compensation benefits.

Section 9. Coordinating benefits with Medicare and other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit the NAIC website at <http://www.NAIC.org>.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance or the difference between the Primary Plan allowance and what is paid by the Primary Plan, up to our regular benefit. We will not pay more than our allowance. Your co-insurance, copayment, or deductible will still apply to the FEHB benefit.

• TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE and CHAMPVA.

• Workers’ Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers’ Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

• Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Program (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB Plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB Plan so that your Plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical Trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide for related care as follows, if it is not provided by the clinical trial:

Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient’s condition, whether the patient is in a clinical trial or is receiving standard therapy. These costs are covered by this plan.

Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care. This plan does not cover these costs.

Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials, this plan does not cover these costs.

When you have Medicare

• **What is Medicare?**

Medicare is a Health Insurance Program for:

- People 65 years of age or older
- Some people with disabilities under 65 years of age
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant)

Medicare has four parts:

Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE (1-800-633-4227) (TTY 1-877-486-2048) for more information.

Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.

Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare's Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

- **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213 (TTY 1-800-325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 1-866-969-3343 or see our Web site at www.chckansas.com.

We waive some costs if the Original Medicare Plan is your primary payor – We will waive some out-of-pocket costs as follows:

- Medical services and supplies provided by physicians and other health care professionals. If you are enrolled in Medicare Part B, we will waive your out-of-pocket costs including copayments and coinsurance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

- **Tell us about your Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227) (TTY 1-877-486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan: We have no Medicare Advantage Plan.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

We are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review the claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical Trials Cost Categories	<ul style="list-style-type: none">• Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient’s condition whether the patient is in a clinical trial or is receiving standard therapy• Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care• Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See Section 4.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See Section 4.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Care that is primarily for meeting personal needs: such as walking, getting in and out of bed, bathing, dressing, shopping, eating and preparing meals, performing general household services, or taking medicine. Custodial care that lasts 90 days or more is sometimes know as Long term care.
Deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See Section 4.
Experimental or investigational service	<p>A health product or service is deemed experimental if one or more of the following criteria are met:</p> <ul style="list-style-type: none">• Any drug not approved for use by the FDA; any FDA approved drug prescribed for an off-label use whose effectiveness is unproven based on clinical evidence reported in peer-reviewed medical literature; or, any drug that is classified as IND (investigational new drug) by the FDA. As used herein, off-label prescribing means prescribing prescription drugs for treatments other than those stated in the labeling approved by the FDA.• Any health product or service that is subject to Institutional Review Board (IRB) review or approval;• Any health product or service that is the subject of a clinical trial that meets criteria for Phase I, II, or III as set forth by FDA regulations;• Any health product or service whose effectiveness is unproven based on clinical evidence reported in peer-reviewed medical literature.
Formulary	<p>A list of specific generic and brand name Prescription and Specialty Drugs Authorized by the Plan, and subject to periodic review and modification at least annually by the Plan’s Pharmacy and Therapeutics Committee. The Formulary is available for review in the searchable Formulary on Our website, www.chckansas.com, in the Participating Provider’s office, or by contacting the Customer Service Department. Please note: Inclusion of a drug within the Formulary does not guarantee that Your health care provider will prescribe that drug for a particular medical condition or illness.</p>

<ul style="list-style-type: none"> • Prior-Authorization 	Some drugs require authorization in order for them to be Covered Services. Drugs requiring authorization are identified within the Formulary with “PA” next to the name of the drug
<ul style="list-style-type: none"> • Specialty Drug 	Those drugs listed on the Specialty Drug Formulary and identified with an “SP” and are typically identified as “Tier 4”. Specialty Drugs are typically used to treat rare or complex disease. These drugs frequently require special handling, close clinical monitoring and management and Pre-Certification prior to being dispensed.
Group health coverage	Health care benefits that are available as a result of your employment, or the employment of your spouse, and that are offered by an employer or through membership in an employee organization. Health care coverage may be insured or indemnity coverage, self-insured or self-funded coverage, or coverage through health maintenance organizations or other managed care plans.
Health care professional	A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.
Medical necessity	Health services and supplies which are deemed by the Plan to medically appropriate and (1) necessary to meet the basic health needs of the Plan member; (2) rendered in the most cost-efficient manner and type of setting appropriate for the delivery of the health service; (3) consistent in type, frequency and duration of treatment with relevant guidelines of national medical, research or health care coverage organizations and governmental agencies; (4) consistent with the diagnosis of the condition; (5) required for reasons other than the comfort or convenience of the Plan member or his or her provider; and (6) of demonstrated medical value. The fact that a Physician has performed or prescribed a procedure or treatment, or the fact that it may be the only treatment for a particular injury or sickness, does not mean that the procedure or treatment is medically necessary.
Our allowance	Our allowance is the amount we use to determine our payment and your coinsurance for covered services. When you receive services or supplies from Plan providers, it is the amount that we set for the services or supplies if we were to charge for them.
Peer-reviewed medical literature	<p>It refers to the requirement that medical literature on a topic is only considered relevant if it is a scientific study, which has been published in the English language (mostly American) medical literature only after review by academic experts for structure of study and validity of conclusions, prior to acceptance for publication; and</p> <p>Based on a methodology used by certain authoritative bodies (including The National Cancer Institute PDQ Guidelines for Cancer Treatment and the International Consensus Conference on Bone Marrow Transplantation), the medical literature is graded for its quality using a 2-by-2 grid based on two parameters: <u>strength</u> of the evidence and <u>effectiveness</u>. Strength of evidence is graded from the highest level of evidence to the lowest, as follows:</p> <ol style="list-style-type: none"> 1. Level 1: Randomized, controlled trial 2. Level 2: Cohort/Case Control Study 3. Level 3: Systematic Literature Review 4. Level 4: Large consecutive case series 5. Level 5: Small consecutive case series 6. Level 6: Textbook chapters (opinion of a respected authority) 7. Level 7: Case report <p>Effectiveness is evaluated using 4 measurements:</p> <ol style="list-style-type: none"> 1. Is the proposed treatment harmful or beneficial? 2. Do the results favor the study (experimental) group or the control group? 3. Is the outcome considered statistically weak or strong?

4. Is the study design weak or strong?

After evaluating the peer-reviewed medical literature according to the methodology described above, a conclusion is drawn that the preponderance of evidence favors the proposed new technology as being proven (and therefore standard of care), or conversely unproven (i.e. investigational/experimental).

Post-service claims

Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.

Pre-service claims

Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.

Preventive Services

The preventive health services referenced in Section 5 shall be covered in full and are not subject to cost-sharing requirements (including copayments, coinsurance or deductible), in a manner consistent with Section 2713 of Federal H.R. 3590.

- Items or services with an “A” or “B” rating from the United States Preventive Task Force;
- Immunizations recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control Prevention (ACIP – CDC);
- Preventive care and screenings for infants, children, and adolescents as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration (HRSA);
- Additional preventive care and screenings for women (including breast cancer screening and mammography screenings) not described above;

A list of the preventive services covered is available on the website at www.chckansas.com or will be mailed to you upon request. You may request the list by calling the Customer Service number on your identification card

Urgent care claims

A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:

- Waiting could seriously jeopardize your life or health;
- Waiting could seriously jeopardize your ability to regain maximum function; or
- In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at 1-800-969-3343. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

Section 11. Other Federal Programs

Please note, the following programs are not part of your FEHB benefits. They are separate Federal programs that complement your FEHB benefits and can potentially reduce your annual out-of-pocket expenses. These programs are offered independent of the FEHB Program and require you to enroll separately with no government contribution.

Important information about three Federal programs that complement the FEHB Program

First, the **Federal Flexible Spending Account Program**, also known as FSAFEDS, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. The result can be a discount of 20% to more than 40% on services/products you routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)** provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program (FSAFEDS)

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money. **Annuityants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250. The maximum annual election for a health care flexible spending account (HCFSAs) or a limited expense health care spending account (LEX HCFSAs) is \$2,500.

- **Health Care FSA (HCFSAs)** – Reimburses you for eligible health care expenses (such as copayments, deductibles, insulin, products, **physician prescribed** over-the-counter medications and drugs, vision and dental expenses, and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.

FSAFEDS offers paperless reimbursement for your HCFSAs through a number of FEHB and FEDVIP plans. This means that when you or your provider file claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

- **Limited Expense Health Care FSA (LEX HCFSAs)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your tax dependents adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSAs)** – Reimburses you for eligible **non-medical** day care expenses for your child(ren) under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSAs.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in HCFSAs or LEX HCFSAs and/or DCFSAs, but you must enroll before October 1. If you are hired or become eligible on or after October 1, you must wait and enroll during the Federal Benefits Open Season held each fall.

The Federal Employees Dental and Vision Insurance Program (FEDVIP)

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB Program, and was established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004. **This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations for enrollment.**

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

Dental Insurance

All dental plans provide a comprehensive range of services, including:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period for dependent children up to age 19.

Vision Insurance

All vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/insure/dental and www.opm.gov/insure/vision. These sites also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

How do I enroll?

You enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337 (TTY 1-877-889-5680).

The Federal Long Term Care Insurance Program (FLTCIP)

It's important protection

The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives, are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

Pre-existing Condition Insurance Program (PCIP)

Do you know someone who needs health insurance but can't get it? The Pre-Existing Condition Insurance Plan (PCIP) may help.

An individual is eligible to buy coverage in PCIP if:

- He or she has a pre-existing medical condition or has been denied coverage because of the health condition;
- He or she has been without health coverage for at least the last six months. (If the individual currently has insurance coverage that does not cover the pre-existing condition or is enrolled in a state high risk pool then that person is not eligible for PCIP.);
- He or she is a citizen or national of the United States or resides in the U.S. legally.

The Federal government administers PCIP in the following states: Alabama, Arizona, District of Columbia, Delaware, Florida, Georgia, Hawaii, Idaho, Indiana, Kentucky, Louisiana, Massachusetts, Minnesota, Mississippi, North Dakota, Nebraska, Nevada, South Carolina, Tennessee, Texas, Vermont, Virginia, West Virginia, and Wyoming. To find out about eligibility, visit www.pcip.gov and/or www.healthcare.gov or call 1-866-717-5826 (TTY): 1-866-561-1604.

Do not rely on this chart alone. All benefits are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside. If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.

In 2012 for each month you are eligible for the Health Savings Account (HSA), we will deposit \$83.33 per month for Self Only enrollment or \$166.66 per month for Self and Family enrollment to your HSA. For the HSA, you may use your HSA or pay out of pocket to satisfy your calendar year deductible of \$2,500 for Self Only and \$5,000 for Self and Family. Once you satisfy your calendar year deductible and catastrophic out-of-pocket maximum, Traditional medical coverage begins.

For the Health Reimbursement Arrangement (HRA), your health charges are applied to your annual HRA Fund of \$1,000 for Self Only and \$2,000 for Self and Family. Once your HRA is exhausted, you must satisfy your calendar year deductible. Once your calendar year deductible is satisfied, Traditional medical coverage begins.
