**Important Notice from SelectHealth About
Our Prescription Drug Coverage and Medicare**

OPM has determined that the SelectHealth prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and we will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15 through December 7) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). (TTY) 1-877-486-2048.

Introduction

This brochure describes the benefits under our contract (CS 2925) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. Customer service may be reached at 801-442-5038 (Salt Lake area) or 800-538-5038, or write to P.O. Box 30192 Salt Lake City, UT 84130-0192. You may also visit our website at www.selecthealth.org. The physical address for SelectHealth administrative offices is:

SelectHealth
5381 Green St.
Murray, UT 84123

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2013, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2013 and changes are summarized on page 13. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means SelectHealth.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Periodically review your claims history for accuracy to ensure we have not been billed for services that you did not receive.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 801-442-5038 (Salt Lake area) or 800-538-5038 and explain the situation.
- If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

877-499-7295

OR go to www.opm.gov/oig

You can also write to:

United States Office of Personnel Management

Office of the Inspector General Fraud Hotline

1900 E Street NW Room 6400

Washington, DC 20415-1100

- Do not maintain as a family member on your policy.
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise)
 - Your child age 26 or over (unless he/she was disabled and incapable of self-support prior to age 26)
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include, falsifying a claim to obtain FEHB benefits, trying to or obtaining service or coverage for yourself or for someone else who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines and dosages that you take, including non-prescription (over-the-counter) medicines and nutritional supplements.
- Tell your doctor and pharmacist about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - "Exactly what will you be doing?"
 - "About how long will it take?"
 - "What will happen after surgery?"
 - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Patient Safety Links

- www.ahrq.gov/consumer/. The Agency for Healthcare Research and Quality provides a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality health care providers and improve the quality of care you receive.
- www.npsf.org. The National Patient Safety Foundation has information on how to ensure safer health care for you and your family.
- www.talkaboutrx.org/. The National Council on Patient Information and Education is dedicated to improving communication about the safe, appropriate use of medicines.
- www.leapfroggroup.org. The Leapfrog Group is active in promoting safe practices in hospital care.

- www.ahqa.org. The American Health Quality Association represents organizations and health care professionals working to improve patient safety.

Never Events

You will not be billed for inpatient services related to treatment of specific hospital acquired conditions or for inpatient services needed to correct never events, if you use SelectHealth preferred providers. This policy helps to protect you from preventable medical errors and improve the quality of care you receive.

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen called "Never Events". When a Never Event occurs neither your FEHB plan nor you will incur cost to correct the medical error.

FEHB Facts

Coverage information

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure/health for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies who participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment
- How you can cover your family members
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire
- What happens when your enrollment ends
- When the next open season for enrollment begins

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children, including any foster children your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately of changes in family member status, including your marriage, divorce, annulment or when your child reaches age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

If you have a qualifying life event (QLE) – such as marriage, divorce, or the birth of a child – outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at www.opm.gov/insure/lifeevents. If you need assistance, please contact your employing agency, personnel/payroll office, or retirement office.

- **Family member coverage**

Family members covered under your Self and Family enrollment are your spouse (including a valid common law marriage) and children as described in the chart below.

Children	Coverage
Natural, adopted children, and stepchildren	Natural, adopted children and stepchildren are covered until their 26 th birthday.
Foster Children	Foster children are eligible for coverage until their 26 th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.
Children Incapable of Self-Support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Married Children	Married children (but NOT their spouse or their own children) are covered until their 26 th birthday.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are covered until their 26 th birthday.

You can find additional information at www.opm.gov/insure.

Children's Equity Act

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

When benefits and premiums start The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2013 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2012 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

When you retire When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment; or
- You are not eligible for coverage under TCC or the spouse equity law.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy.)

Upon divorce

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide To Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.

Temporary Continuation of Coverage (TCC)

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 26, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

Converting to individual coverage

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

Getting a Certificate of Group Health Plan Coverage

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the “TCC and HIPAA” frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 1. How this plan works

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers (including lab and pathology providers) that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the deductible (if applicable), copayments, and coinsurance described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

This plan is a "non-grandfathered health plan" under the Affordable Care Act. A non-grandfathered plan must meet immediate health care reforms legislated by the Act. Specifically, this plan must provide preventive services and screenings to you without any cost sharing; you may choose any available Participating Provider for adult and pediatric care; visits for obstetrical or gynecological care do not require a referral; and emergency services, both in- and out-of-network, are essentially treated the same (i.e., the same cost sharing, no greater limits or requirements for one over the other; and no prior authorizations).

Questions regarding what protections apply may be directed to us at www.selecthealth.org/healthcarereform. You can also read additional information from the U.S. Department of Health and Human Services at www.healthcare.gov.

General features of our High Option

We have Open Access benefits

Our HMO offers open access benefits. This means you can receive covered services from a Participating Provider without a referral.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your deductible (if applicable), copayments, or coinsurance.

Your rights

OPM requires that all FEHB plans provide certain information to their FEHB Members. You may get information about us, our networks, and our providers. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Intermountain Healthcare, our parent company, is a nonprofit health system based in Salt Lake City with over 32,000 employees. Since 1983, SelectHealth has been providing coverage for high-quality healthcare for the communities of Utah.

If you want more information about us, call 801-442-5038 (Salt Lake area) or 800-538-5038, or write to P.O. Box 30192 Salt Lake City, UT 84130-0192. You may also visit our Web site at www.selecthealth.org.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

Utah - Beaver, Box Elder (except for 84313, 84329), Cache, Davis, Duchesne, Garfield, Iron, Juab, Kane, Millard, Morgan, Piute, Rich, Salt Lake, Sanpete, Sevier, Summit, Tooele (except for 84034, 84083), Uintah, Utah, Wasatch, Washington, Wayne, and Weber.

Idaho - The counties of Ada, Adams, Bannock, Bear Lake, Blaine, Boise, Camas, Canyon, Caribou, Cassia, Elmore, Franklin, Gem, Gooding, Idaho, Jerome, Lincoln, Minidoka, Oneida, Owyhee, Payette, Twin Falls, Valley, and Washington.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. Changes for 2013

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- Removed annual limits on essential health benefits as described in section 1302 of the Affordable Care Act.
- Plans must provide coverage for routine patient costs for items and services furnished in connection with participation in an approved clinical trial.
- Coverage with no cost sharing for additional preventive care and screenings for women provided in comprehensive guidelines adopted by the Health Resources and Services Administration (HRSA).

Changes to this Plan

- We have added a new Standard Plan Option.
- We have expanded our service area as follows:
 - **Utah** - Beaver, Box Elder (except for 84313, 84329), Cache, Davis, Duchesne, Garfield, Iron, Juab, Kane, Millard, Morgan, Piute, Rich, Salt Lake, Sanpete, Sevier, Summit, Tooele (except for 84034, 84083), Uintah, Utah, Wasatch, Washington, Wayne, and Weber.
 - **Idaho** - The counties of Ada, Adams, Bannock, Bear Lake, Blaine, Boise, Camas, Canyon, Caribou, Cassia, Elmore, Franklin, Gem, Gooding, Idaho, Jerome, Lincoln, Minidoka, Oneida, Owyhee, Payette, Twin Falls, Valley, and Washington.

Changes to High Option only

- We have modified the Tier 3 Prescription Drug benefit from a 50% coinsurance to a \$50 copayment.
- Your share of the premium will decrease for Self Only or decrease for Self and Family. See page 78.

Introducing a new Standard Option

- This plan is new to the FEHB program. The Standard Option is offered for the first time during the 2013 open season.
- Refer to Section 5 Benefits, Standard Option for an official statement of benefits.
- Your share of the premium can be found on page 78.

Section 3. How you get care

Identification cards We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 801-442-5038 (Salt Lake area) or 800-538-5038 or write to us at P.O. Box 30192 Salt Lake City, UT 84130-0192. You may also request replacement cards through our Web site at www.selecthealth.org/myhealth.

Where you get covered care You get care from “Plan providers” and “Plan facilities.” You will only pay deductible (if applicable), copayments, and/or coinsurance.

- **Plan providers** Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our Web site at www.selecthealth.org/fep.

- **Plan facilities** Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our Web site at www.selecthealth.org/fep.

What you must do to get covered care It depends on the type of care you need. First, you and each family member may choose a primary care physician, though one is not required. Your primary care physician can provide or arrange for most of your health care.

- **Primary care** Your primary care physician can be a Family Practitioner, Internal Medicine Doctor, Pediatrician, Obstetrician or Gynecologist (OB/GYN).
- **Specialty care** You may see a specialist for needed care.

Here are some other things you should know about specialty care:

- If your current specialist does not participate with us, you must receive treatment from a specialist who does. We will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call us and we will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause;
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program Plan; or
 - reduce our service area and you enroll in another FEHB Plan;

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Participating providers will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are hospitalized when your enrollment begins

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 801-442-5038 (Salt Lake area) or 800-538-5038. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center;
- the day your benefits from your former plan run out; or
- the 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

You need prior Plan approval for certain services

Preauthorization is prior approval from SelectHealth for certain services and is considered a pre-service claim. Obtaining preauthorization does not guarantee coverage. Your benefits for the preauthorized services are subject to the eligibility requirements, limitations, exclusions and all other provisions of the Plan.

Participating Providers and facilities are responsible for obtaining preauthorization on your behalf; however, you should verify that they have obtained preauthorization prior to receiving services.

How to request preauthorization for an admission or get prior authorization for Other services

First, your physician, your hospital, you, or your representative, must call us at 801-442-5038 (Salt Lake area) or 800-538-5038 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- enrollee's name and Plan identification number;
- patient's name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting physician;
- name of hospital or facility; and
- number of planned days of confinement.

- **Non-urgent care claims**

For non-urgent care claims, we will then tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15 day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

- **Urgent care claims**

If you have an urgent care claim (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether it is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to provide notice of the specific information we need to complete our review of the claim. We will allow you up to 48 hours from the receipt of this notice to provide the necessary information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notifications within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at 801-442-9950 (Salt Lake area) or 800-538-5038. You may also call OPM's Health Insurance 3 at (202) 606-0737 between 8 a.m. and 5 p.m. eastern time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, then call us at 801-442-9950 (Salt Lake area) or 800-538-5038. If it is determined that your claim is an urgent care claim, we will hasten our review (if we have not yet responded to your claim).
- **Emergency inpatient admission**

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must telephone us within two business days following the day of the emergency admission, even if you have been discharged from the hospital.
- **Maternity care**

All nonroutine obstetrics admissions and maternity stays longer than two days for a normal delivery or longer than four days for a cesarean section require preauthorization.
- **If your treatment needs to be extended**

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.
- Circumstances beyond our control**

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.
- If you disagree with our pre-service claim decision**

If you have a **pre-service claim** and you do not agree with our decision regarding preauthorization of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below.

If you have already received the service, supply, or treatment, then you have a **post-service claim** and must follow the entire disputed claims process detailed in Section 8.
- **To reconsider a non-urgent care claim**

Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to

1. Preauthorize your hospital stay, or, if applicable, arrange for the health care provider to give you the care or grant your request for prior approval for a service, drug, or supply; or
2. Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3. Write to you and maintain our denial.

- **To reconsider an urgent care claim**

In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

Subject to a request for additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will hasten the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.

- **To file an appeal with OPM**

After we reconsider your pre-service claim, if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your cost for covered services

This is what you will pay out-of-pocket for covered care

Cost-sharing Cost-sharing is the general term used to refer to your out-of-pocket costs (i.e., deductible, coinsurance, and copayments) for the covered care you receive.

Copayments A copayment is a fixed amount of money you pay when you receive covered services.

Example: A person on the High Option Plan seeing a primary care physician would pay a copayment of \$15 per office visit and \$25 for a specialist.

Deductible A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible.

- There is no calendar year deductible under the High Option Plan.
- The calendar year deductible is \$200 per person under the Standard Option Plan. Under a family enrollment, the deductible is considered satisfied and benefits are payable for all family members when the combined covered expenses apply to the calendar year deductible for family members reach \$400 under the Standard Option Plan.

Note: If you change plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

If you change options in this Plan during the year, we will credit the amount of covered expenses already applied toward the deductible of your old option to the deductible of your new option.

Coinsurance Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance does not begin until you have met your calendar year deductible.

Example: A person on the High Option Plan would pay 10% of the allowed amount for outpatient facility services.

Differences between our Plan allowance and the bill Any charges from providers and facilities that exceed SelectHealth's allowed amount for covered services. Participating providers and facilities are under contract to accept SelectHealth's allowed amount as payment in full for covered services.

Your catastrophic protection out-of-pocket maximum After your deductible (if applicable), copayments, and coinsurance total \$4,000 per family for the High Option Plan or \$4,500 per family for the Standard Option Plan in any calendar year, you do not have to pay any more for covered services. However, copayments for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments for these services:

- Infertility
- Chiropractic
- Bariatric surgery
- Prescription drugs

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

Carryover

If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

Note: If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than the governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Section 5. High and Standard Option Benefits

High and Standard Option Benefits Overview

This Plan offers both a High and Standard Option. Both benefit packages are described in Section 5. Make sure that you review the benefits that are available under the option under which you are enrolled.

The High and Standard Option Section 5 is divided into subsections. Please read important *Import thing you should keep in mind* at the beginning of the subsections. Also read the General exclusions in Section 6, they apply to the benefits in the following subsections. To obtain claims forms, claims filing advice, or more information about High and Standard Option benefits, contact us at 801-442-5038 (Salt Lake area) or 800-538-5038 or at our Web site at www.selecthealth.org/fep.

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- A facility copay applies to services that appear in this section but are performed inpatient.
- High Option: the calendar year deductible is \$0 per person (\$0 per family).
- High Option: the out of pocket maximum is \$4,000 per person (\$4,000 per family).
- Standard Option: the calendar year deductible is \$200 per person (\$400 per family).
- Standard Option: the out of pocket maximum is \$4,500 per person (\$4,500 per family).
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOUR PHYSICIAN MUST GET PREAUTHORIZATION FOR CERTAIN SERVICES, SUPPLIES, AND DRUGS.** Please refer to Section 3 to be sure which services require preauthorization.

Benefit Description	You Pay	
	High	Standard

Section 5(d): Emergency services/accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- High Option: the calendar year deductible is \$0 per person (\$0 per family).
- High Option: the out of pocket maximum is \$4,000 per person (\$4,000 per family).
- Standard Option: the calendar year deductible is \$200 per person (\$400 per family).
- Standard Option: the out of pocket maximum is \$4,500 per person (\$4,500 per family).
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

Section 5(e). Mental health and substance abuse benefits

You need to get Plan approval (preauthorization) for services and follow a treatment plan we approve in order to get benefits. When you receive services as part of an approved treatment plan, cost-sharing and limitations for Plan mental health and substance abuse benefits are no greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- High Option: the calendar year deductible is \$0 per person (\$0 per family).
- High Option: the out of pocket maximum is \$4,000 per person (\$4,000 per family).
- Standard Option: the calendar year deductible is \$200 per person (\$400 per family).
- Standard Option: the out of pocket maximum is \$4,500 per person (\$4,500 per family).
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION FOR THESE SERVICES.** Benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. To be eligible to receive full benefits, you must follow the preauthorization process and get approval of your treatment plan. Please refer to Section 3 to be sure which services require preauthorization.
- Preauthorization is required for all mental health and chemical dependency Services with the exception of office visits. If you need to request Preauthorization, call the Behavioral Health Advocates.
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Benefit Description	You Pay	
Professional services	High	Standard
<p>When part of a treatment plan we approve, we cover professional services by licensed professional mental health and substance abuse practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists.</p> <p>Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include:</p> <ul style="list-style-type: none"> • Diagnostic evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy) • Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment • Treatment and counseling (including individual or group therapy visits) • Diagnosis and treatment of alcoholism and drug abuse, including detoxification, treatment and counseling • Professional charges for intensive outpatient treatment in a provider's office or other professional setting • Electroconvulsive therapy 	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p> <p>\$100 per inpatient admit</p> <p>10% of the Allowed Amount for outpatient</p> <p>\$15 per office visit</p> <p>10% of the Allowed Amount for residential treatment</p>	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p> <p>\$100 per inpatient admit after deductible</p> <p>15% of the Allowed Amount after deductible for outpatient</p> <p>\$20 per office visit</p> <p>15% of the Allowed Amount after deductible for residential treatment</p>

Section 5(f): Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician must write the prescription.
- **Where you can obtain them.** You must fill the prescription at a plan pharmacy, or by mail for a maintenance medication.
- **We use a formulary.** We cover non-formulary drugs prescribed by a Plan doctor.

We have an open formulary. If your physician believes a name brand product is necessary or there is no generic available, your physician may prescribe a name brand drug from a formulary list. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost. To order a prescription drug list, call 801-442-5038 (Salt Lake area) or 800-538-5038.

- **These are the dispensing limitations.** Refills are allowed after 50 percent of the last refill is used for a 10 day supply and 75 percent for a 30 day supply.
- **A generic equivalent will be dispensed if it is available.** If you receive a name brand drug when a Federally-approved generic drug is available, you have to pay the difference in cost between the name brand drug and the generic and the difference is not applied to your catastrophic protection out-of-pocket maximum.
- **Why use generic drugs?** A generic drug is a medication in which the active ingredients, safety, dosage, quality, and strength are identical to that of its brand-name counterpart. Generic drugs are regulated by the U.S. Food and Drug Administration just like brand-name drugs.

Section 5(g). Dental benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- High Option: the calendar year deductible is \$0 per person (\$0 per family).
- High Option: the out of pocket maximum is \$4,000 per person (\$4,000 per family).
- Standard Option: the calendar year deductible is \$200 per person (\$400 per family).
- Standard Option: the out of pocket maximum is \$4,500 per person (\$4,500 per family).
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Section 5(h): Special Features

Special feature	Description
Member Services	Representatives are available during extended hours to answer questions and help resolve concerns. To contact Member Services, call 801-442-5038 (Salt Lake area), or 800-538-5038 weekdays, from 7 AM to 8 PM, and Saturdays, from 9 AM to 2 PM.
SelectHealth Member Advocates[®]	<p>Our Member Advocates help you find the right doctor for your needs. They can assist with the following:</p> <ul style="list-style-type: none"> • Appointment scheduling, including urgent conditions • Finding the closest facility or doctor with the nearest available appointment <p>To contact Member Advocates, call 801-442-4993 (Salt Lake area) or 800-515-2220 weekdays, from 7 AM to 8 PM, and Saturdays, from 9 AM to 2 PM. To access the online provider directory, visit selecthealth.org/fep.</p>
Behavioral Health AdvocatesSM	Behavioral Health Advocates specialize in helping members resolve mental health concerns and finding appropriate care. To contact Behavioral Health Advocates, call 801-442-1989 (Salt Lake area), or 800-876-1989 weekdays from 8 AM to 6 PM.
Services for Deaf and Hearing Impaired	Free interpreting services will be provided upon request.
Smoking Cessation	One of the most significant things a person can do to improve overall health is to quit smoking. We offer a free program that can help. Quit for Life [®] allows participants to progress at their own pace from home. For more information, call 801-442-6759.
Online Tools	<p>Our comprehensive package of online tools and resources allows you to search for participating doctors and facilities, find lower-cost medications, and even create a personalized fitness plan.</p> <p><i>My Health</i>, our secure member website, allows you to manage your health information in one location. You can access <i>My Health</i> by logging in at selecthealth.org. Once you have logged in, you can access the following tools:</p> <ul style="list-style-type: none"> • View your claims by accessing online Explanation of Benefits (EOBs). • Send a secure message to Member Services. • View your pharmacy claims, compare drug prices, and find participating pharmacies. • Improve your health by taking a personal health assessment, tracking your progress, and utilizing other wellness tools. • Access medical records, including lab, pathology, and imaging results, from Intermountain providers that use this program. E-mail questions to certain Intermountain providers. Note: This feature may not be available in all regions.
Integrated with Intermountain HealthCare	<p>For more than 25 years, SelectHealth has been committed to helping members stay healthy, offering Superior Service, and providing access to the highest quality of care. As part of Intermountain Healthcare, SelectHealth shares a nonprofit mission of healthcare excellence.</p> <p>Today, as part of one of the nation's top-ranked integrated health systems*, SelectHealth and Intermountain Healthcare work together to enhance value by ensuring high-quality healthcare at the lowest possible cost for the community.</p> <p>Intermountain's nonprofit system includes physicians, clinics and 22 hospitals, as well as insurance plans from SelectHealth.</p> <p>*According to <i>Modern Healthcare</i> magazine, January 2012</p>

Special feature	Description
Member Discounts	<p>Embracing a healthy lifestyle is more convenient when it costs less. As a SelectHealth member, you can access discounts on health-related products such as gym memberships, eyewear, LASIK, spas, and nutrition supplements. You can receive these discounts by simply showing your SelectHealth ID Card. A complete list is available at selecthealth.org/discounts.</p> <p>Note: These benefits and services may not be available in all regions.</p>
Preventive Care	<p>The goal of preventive care, such as regular checkups and screenings, is to help you avoid illness and to detect problems when they are most treatable.</p> <p>Your plan covers preventive care 100 percent—that means no copay, coinsurance, or deductible. Examples of preventive services include the following:</p> <ul style="list-style-type: none"> • examinations and/or screenings (for example, a mammogram, colon and prostate cancer screenings, etc.) • Flu and pneumonia vaccinations • Screenings laboratory and X-ray tests (such as Pap smears or cholesterol tests) • Routine immunizations <p>Checkups may include tests performed by your doctor to manage a known condition, such as treating high blood pressure to prevent a heart attack or a stroke. Services performed to maintain a known condition are not usually considered preventive. Your regular copay, coinsurance, or deductible will apply to these services.</p> <p>SelectHealth has always been committed to covering preventive services. However, not every preventive service is appropriate every year, and recommended screening guidelines may vary.</p> <p>We offer online resources that give you access to immunization schedules, tips for women's health, and information about preventive care exams and tests. You may also complete a personal health assessment and take quizzes about exercise and nutrition.</p> <p>To encourage you to schedule a preventive care appointment, we have an interactive phone system that delivers education. These calls give you the option to have one of our Member Advocates call you back to help you find a doctor.</p>
SelectHealth Healthy Beginnings®	<p>Our prenatal program provides support and resources for expectant mothers. Registered nurses work with moms-to-be and their providers through every trimester and question. There's no catch and no cost. In addition to expert care and support, each enrollee receives a kit of education materials. Those who sign up by their 16th week of pregnancy may also receive a cash incentive upon program completion. Minimum participation requires just three short phone interviews to make sure you're on a healthy track. The program includes a risk assessment screening and provides high-risk case management when needed. For more information, call</p> <p>Healthy Beginnings at 801-442-5052 (Salt Lake area) or 866-442-5052.</p>
Care Management	<p>Trained registered nurse care managers are available to assist you with various health concerns and can help coordinate services between providers and patients. Our care management programs offer educational materials, newsletters, follow-up phone calls, and additional support. Care management covers these areas:</p> <ul style="list-style-type: none"> • Allergies and Rhinitis • Asthma • Cancer

	<ul style="list-style-type: none"> • Chronic Obstructive Pulmonary Disease (COPD) • Depression • Diabetes • Heart Disease • High-Risk Pregnancy • Migraines <p>For more information, call Care Management at 801-442-5305 (Salt Lake area) or 800-442-5305.</p>
Travel Benefit/Services Overseas	<p>If you have an emergency or need urgent care outside of the service area, participating benefits apply to services you receive in a doctor's office, urgent care facility, or emergency room. In an effort to reduce your medical out-of-pocket expenses incurred while traveling, SelectHealth has made an arrangement with the Multiplan and PHCS networks of healthcare providers and facilities. They have agreed to accept an allowed amount for covered services, which means you will not be responsible for excess charges when using these providers. Always present your ID Card when visiting providers or facilities. The logos on the card give you access to these networks. To find Multiplan or PHCS providers and facilities, call Multiplan at 800-678-7427 or visit multiplan.com.</p> <p>If you are traveling outside of the country and need urgent or emergency care, visit the nearest doctor or hospital. Notify us of your circumstances as soon as possible. You may be required to pay for treatment at the time of service and then submit an itemized statement or claim to SelectHealth. Our Care Management team may become involved to help with any out-of-country health issues or claims that are particularly complicated. If you are outside SelectHealth's service area (more than 40 miles away from a participating provider or facility), participating benefits apply to services for urgent or emergency conditions rendered in any doctor's office or any urgent care facility.</p>

Section 6. General Exclusions - services, drugs and supplies we don't cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see *How to request preauthorization for an admission or get prior authorization for Other services in Section 3.***

We do not cover the following:

- Care by non-plan providers except for authorized referrals or emergencies (see *Emergency services/accidents*).
- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies related to sex transformations.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.
- Applied Behavior Analysis (ABA)

Section 7. Filing a claim for covered services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment and/or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider.

If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-04 form. For claims questions and assistance, contact us at 801-442-5038 (Salt Lake area) or 800-538-5038 weekdays, from 7:00 a.m. to 8:00 p.m., and Saturdays, from 9:00 a.m. to 2:00 p.m, or at our website at www.selectthehealth.org.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name, date of birth, address, phone number and ID number
- Name and address of the physician or facility that provided the service or supply
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payor – such as the Medicare Summary Notice (MSN)
- Receipts, if you paid for your services

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

Submit your claims to: P.O. Box 30192 Salt Lake City, UT 84130-0192

Prescription drugs

Submit your claims to: P.O. Box 30192 Salt Lake City, UT 84130-0192

Other supplies or services

Submit your claims to: P.O. Box 30192 Salt Lake City, UT 84130-0192

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive the claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review as long as we notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

**Authorized
representative**

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, we will permit a health care professional with knowledge of your medical condition to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Notice Requirements

If you live in a county where at least 10 percent of the population is literate only in a non-English language (as determined by the Secretary of Health and Human Services), we will provide language assistance in that non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the health care provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes.

Section 8. The disputed claims process

You may be able to appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7, and 8 of this brochure, please visit <http://selecthealth.org/fep>.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim.

To make your request, please contact our Appeals Department by writing to P.O. Box 30192 Salt Lake City, UT 84130-0192 or calling 801-442-9950 (Salt Lake area) or 800-538-5038.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

Our reconsideration decision will not afford deference to the initial decision and will be conducted by a plan representative who is neither the individual who made the initial decision that is the subject of the reconsideration, nor the subordinate of that individual.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">a) Write to us within 6 months from the date of our decision; andb) Send your request to us at: SelectHealth, Appeals Department P.O. Box 30192 Salt Lake City, UT 84130-0192; andc) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andd) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.e) Include your email address (optional for member), if you would like to receive our decision via email. Please note that by giving us your email, we may be able to provide our decision more quickly. <p>We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.</p>

2

In the case of a post-service claim, we have 30 days from the date we receive your request to:

- a) Pay the claim
- b) Write to you and maintain our denial, or
- c) Ask you or your provider for more information

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3

If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employee Insurance Operations, Health Insurance 3, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

4

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at 801-442-9950 (Salt Lake area) or 800-538-5038. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 3 at (202) 606-0737 between 8 a.m. and 5 p.m. eastern time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a dependent is covered under this plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Worker's Compensation programs if you are receiving Worker's Compensation benefits.

Section 9. Coordinating benefits with Medicare and other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit the NAIC web site at <http://www.NAIC.org>.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

Worker's Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers’ Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy.
- Extra care costs – this plan does not cover these costs.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials, this plan does not cover these costs.

When you have Medicare

What is Medicare?

Medicare is a health insurance program for:

- People 65 years of age or older
- Some people with disabilities under 65 years of age
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant)

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048) for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

- **Part C (Medicare Advantage).** You can enroll in a Medicare Advantage plan to get your Medicare benefits. We do offer a Medicare Advantage plan. If you have questions, please call toll free (855) 442-9900. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- **Part D (Medicare prescription drug coverage).** There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare's Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

Should I enroll in Medicare?

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213, (TTY 1-800-325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you do not sign up for Medicare Part B when you are first eligible, you may be charged a Medicare Part B late enrollment penalty of a 10 % increase in premium for every 12 months you are not enrolled. If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

The Original Medicare Plan (Part A or Part B)

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 801-442-5038 (Salt Lake area) or 800-538-5038 weekdays, from 7:00 a.m. to 8:00 p.m., and Saturdays, from 9:00 a.m. to 2:00 p.m. or see our Web site at www.selectthehealth.org.

We do not waive any costs if the Original Medicare Plan is your primary payor.

You can find more information about how our plan coordinates benefits with Medicare by calling Member Services at 801-442-5038 (Salt Lake area) or 800-538-5038 weekdays, from 7:00 a.m. to 8:00 p.m., and Saturdays, from 9:00 a.m. to 2:00 p.m.

**Tell us about your
Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about the other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

**Medicare Advantage
(Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country.

To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048) or at www.medicare.gov.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments or coinsurance. If you enroll in a Medicare plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium). For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

**Medicare prescription
drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation disability benefits for six months or more	✓ *	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD (for 30 month coordination period)		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD (for the 30 month coordination period)		✓
• Medicare based on ESRD (after the 30 month coordination period)	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical trials cost categories	<ul style="list-style-type: none">• Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient’s cancer, whether the patient is in a clinical trial or is receiving standard therapy• Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care• Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See page 18.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 18.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Services provided primarily to maintain rather than improve a Member’s condition or for the purpose of controlling or changing the Member’s environment. Services requested for the convenience of the Member or the Member’s family that do not require the training and technical skills of a licensed Nurse or other licensed Provider, such as convalescent care, rest cures, nursing home services, etc. Services that are provided principally for personal hygiene or for assistance in daily activities.
Deductible	<p>A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible.</p> <ul style="list-style-type: none">• There is no calendar year deductible under the High Option Plan.• The calendar year deductible is \$200 per person under the Standard Option Plan. Under a family enrollment, the deductible is considered satisfied and benefits are payable for all family members when the combined covered expenses apply to the calendar year deductible for family members reach \$400 under the Standard Option Plan.
Experimental and/or investigational	<p>A Service for which one or more of the following apply:</p> <ul style="list-style-type: none">• It cannot be lawfully marketed without the approval of the FDA and such approval has not been granted at the time of its use or proposed use;• It is the subject of a current investigational new drug or new device application on file with the FDA;• It is being provided pursuant to a Phase I or Phase II clinical trial or as the experimental or research arm of a Phase III clinical trial;

- It is being or should be delivered or provided subject to the approval and supervision of an Institutional Review Board (IRB) as required and defined by federal regulations, particularly those of the FDA or the Department of Health and Human Services (HHS); or
- If the predominant opinion among appropriate experts as expressed in the peer-reviewed medical literature is that further research is necessary in order to define safety, toxicity, effectiveness, or comparative effectiveness, or there is no clear medical consensus about the role and value of the Service.

Health care professional	A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.
Medical necessity	<p>Services that a prudent healthcare professional would provide to a patient for the purpose of preventing, diagnosing, or treating an illness, injury, disease, or its symptoms in a manner that is:</p> <ul style="list-style-type: none"> • in accordance with generally accepted standards of medical practice in the United States; • clinically appropriate in terms of type, frequency, extent, site, and duration; and • not primarily for the convenience of the patient, Physician, or other Provider. <p>When a medical question-of-fact exists, Medical Necessity shall include the most appropriate available supply or level of service for the Member in question, considering potential benefit and harm to the Member.</p> <p>Medical Necessity is determined by the treating Physician and by SelectHealth's Medical Director or his or her designee. The fact that a Provider or Facility, even a Participating Provider or Facility, may prescribe, order, recommend, or approve a Service does not make it Medically Necessary, even if it is not listed as an Exclusion or Limitation. FDA approval, or other regulatory approval, does not establish Medical Necessity.</p>
Participating Provider	Providers under contract with SelectHealth to accept allowed amounts as payment in full for covered services.
Plan allowance/Allowed amount	Plan allowance is the amount we use to determine our payment and your responsibility for covered services. Plans determine their allowances in different ways. We determine our allowance as follows: SelectHealth determines how much is allowed for covered services through the use of a maximum allowable fee or the out-of-area fee schedule.
Post-service claims	Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.
Pre-service claims	Those claims (1) that require preauthorization, prior approval, or a referral and (2) where failure to obtain preauthorization, prior approval, or a referral results in a reduction of benefits.
Urgent Care Claims	<p>A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:</p> <ul style="list-style-type: none"> • Waiting could seriously jeopardize your life or health; • Waiting could seriously jeopardize your ability to regain maximum function; or • In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Member Services at 801-442-5038 (Salt Lake area) or 800-538-5038. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

Us/We

Us and We refer to SelectHealth.

You

You refers to the enrollee and each covered family member.

Section 11. Other Federal Programs

Please note: The following programs are not part of your FEHB benefits. They are separate Federal programs that complement your FEHB benefits and can potentially reduce your annual out-of-pocket expenses. These programs are offered independent of the FEHB Program and require you to enroll separately with no Government contribution.

Important information about three Federal programs that complement the FEHB Program

First, the **Federal Flexible Spending Account Program**, also known as FSAFEDS, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. The result can be a discount of 20% to more than 40% on services/products you routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)** provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program – FSAFEDS

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money. **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250. The maximum annual election for a health care flexible spending account (HCFSAs) or a limited expense health care spending account (LEX HCFSAs) is \$2,500.

- **Health Care FSA (HCFSAs)** – Reimburses you for eligible health care expenses (such as copayments, insulin, products, **physician prescribed** over-the-counter drugs and medications, vision and dental expenses, and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.

FSAFEDS offers paperless reimbursement for your HCFSAs through a number of FEHB and FEDVIP plans. This means that when you or your provider file claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

- **Limited Expense Health Care FSA (LEX HCFSAs)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your tax dependents including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSA)** – Reimburses you for eligible **non-medical** day care expenses for your child(ren) under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSA.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in an HCFSAs or LEX HCFSAs and/or DCFSA, but you must enroll before October 1. If you are hired or become eligible on or after October 1 you must wait and enroll during the Federal Benefits Open Season held each fall.

FSAFEDS offers paperless reimbursement for your HCFA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

Where can I get more information about FSAFEDS?

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern time. TTY: 1-800-952-0450.

The Federal Employees Dental and Vision Insurance Program – FEDVIP

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB Program, and was established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004. **This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations for enrollment.**

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

Dental Insurance

All dental plans provide a comprehensive range of services, including:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period for dependent children up to age 19.

Vision Insurance

All vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/insure/vision and www.opm.gov/insure/dental. These sites also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

How do I enroll?

You enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337, (TTY 1-877- 889-5680).

The Federal Long Term Care Insurance Program – FLTCIP

It's important protection

The Federal Long Term Care Insurance Program (FLTCIP) can help you pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives, are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

Pre-existing Condition Insurance Program (PCIP)

Do you know someone who needs health insurance but can't get it? The Pre-Existing Condition Insurance Plan (PCIP) may help.

An individual is eligible to buy coverage in PCIP if:

- He or she has a pre-existing medical condition or has been denied coverage because of the health condition;
- He or she has been without health coverage for at least the last six months. (If the individual currently has insurance coverage that does not cover the pre-existing condition or is enrolled in a state high risk pool then that person is not eligible for PCIP.);
- He or she is a citizen or national of the United States or resides in the U.S. legally.

The Federal government administers PCIP in the following states: Alabama, Arizona, District of Columbia, Delaware, Florida, Georgia, Hawaii, Idaho, Indiana, Kentucky, Louisiana, Massachusetts, Minnesota, Mississippi, North Dakota, Nebraska, Nevada, South Carolina, Tennessee, Texas, Vermont, Virginia, West Virginia, and Wyoming. To find out about eligibility, visit www.pcip.gov and/or www.healthcare.gov or call 1-866-717-5826 (TTY): 1-866-561-1604.

Summary of benefits for the High Option SelectHealth Plan - 2013

Protection against catastrophic costs (out-of-pocket maximum)	Nothing after \$4,500 per person/\$4,500 per family Some costs do not count toward this protection	18

2013 Rate information for the High Option and Standard Option SelectHealth Plan

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the *Guide to Federal Benefits* for that category or contact the agency that maintains your health benefits enrollment.

Postal Category 1 rates apply to career employees covered by the National Postal Mail Handlers Union (NPMHU), National Association of Letter Carriers (NALC) and Postal Police bargaining units.

Postal Category 2 rates apply to other non-APWU, non-PCES, non-law enforcement Postal Service career employees, including management employees, and employees covered by the National Rural Letter Carriers' Association bargaining unit.

Special Guides to Benefits are published for American Postal Workers Union (APWU) employees (see RI 70-2A) including Material Distribution Center, Operating Services and Information Technology/Accounting Services employees and Nurses; Postal Service Inspectors and Office of Inspector General (OIG) law enforcement employees (see RI 70-2IN), Postal Career Executive Service (PCES) employees (see RI 70-2EX), and noncareer employees (see RI 70-8PS).

Career APWU employees hired before May 23, 2011, will have the same rates as the Category 2 rates shown below. In the Guide to Benefits for APWU Employees (RI 70-2A) this will be referred to as the "Current" rate; otherwise, "New" rates apply.

For further assistance, Postal Service employees should call:

Human Resources Shared Service Center

1-877-477-3273, option 5

TTY: 1-866-260-7507

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *Guide to Federal Benefits*.

Type of Enrollment	Enrollment Code	Non-Postal Premium				Postal Premium
